Re: Starbucks Corporation
Case 05-RC-289213

Dear Mr. Jones:

The enclosed petition that you filed with the National Labor Relations Board (NLRB) has been assigned the above case number. This letter tells you how to contact the Board agent who will be handling this matter; explains your obligation to provide the originals of the showing of interest and the requirement that you complete and serve a Responsive Statement of Position form in response to each timely filed and served Statement(s) of Position; notifies you of a hearing; describes the employer's obligation to post and distribute a Notice of Petition for Election, complete a Statement of Position and provide a voter list; requests that you provide certain information; notifies you of your right to be represented; and discusses some of our procedures including how to submit documents to the NLRB.

Investigator: This petition will be investigated by Field Examiner Cameron Myers whose telephone number is (410)962-2737. The Board agent will contact you shortly to discuss processing the petition. If you have any questions, please do not hesitate to call the Board agent. The Board agent may also contact you and the other party or parties to schedule a conference meeting or telephonic or video conference for some time before the close of business the day following receipt of the final Responsive Statement(s) of Position. This will give the parties sufficient time to determine if any issues can be resolved prior to hearing or if a hearing is necessary. If the agent is not available, you may contact Supervisory Field Attorney Patrick J. Cullen whose telephone number is (410)962-2916. If appropriate, the NLRB attempts to schedule an election either by agreement of the parties or by holding a hearing and then directing an election.

Showing of Interest: If the Showing of Interest you provided in support of your petition was submitted electronically or by fax, the original documents which constitute the Showing of Interest containing handwritten signatures must be delivered to the Regional office within **2 business days**. If the originals are not received within that time the Region will dismiss your petition.

Notice of Hearing: Enclosed is a Notice of Representation Hearing to be conducted at **9:00 a.m. on Thursday, February 10, 2022 via Videoconference**, if the parties do not voluntarily agree to an election. If a hearing is necessary, the hearing will run on consecutive days until concluded unless the regional director concludes that extraordinary circumstances warrant otherwise. Before the hearing begins, we will continue to explore potential areas of agreement with the parties in order to reach an election agreement and to eliminate or limit the costs associated with formal hearings.

Upon request of a party showing good cause, the regional director may postpone the hearing. A party desiring a postponement should make the request to the regional director in writing, set forth in detail the grounds for the request, and include the positions of the other parties regarding the postponement. E-Filing the request is required. A copy of the request must be served simultaneously on all the other parties, and that fact must be noted in the request.

Posting and Distribution of Notice: The Employer must post the enclosed Notice of Petition for Election by **January 28, 2022**, in conspicuous places, including all places where notices to employees are customarily posted. If it customarily communicates electronically with its employees in the petitioned-for unit, it must also distribute the notice electronically to them. The Employer must maintain the posting until the petition is dismissed or withdrawn or this notice is replaced by the Notice of Election. Failure to post or distribute the notice may be grounds for setting aside the election if proper and timely objections are filed.

Statement of Position: In accordance with Section 102.63(b) of the Board's Rules, the Employer is required to complete the enclosed Statement of Position form, have it signed by an authorized representative, and file a completed copy with any necessary attachments, with this office and serve it on all parties named in the petition by **noon Eastern Time on February 02, 2022**. The Statement of Position must include a list of the full names, work locations, shifts, and job classifications of all individuals in the proposed unit as of the payroll period preceding the filing of the petition who remain employed at the time of filing. If the Employer contends that the proposed unit is inappropriate, it must separately list the full names, work locations, shifts and job classifications of all individuals that it contends must be added to the proposed unit to make it an appropriate unit. The Employer must also indicate those individuals, if any, whom it believes must be excluded from the proposed unit to make it an appropriate unit.

Required Responsive Statement of Position (RSOP): In accordance with Section 102.63(b) of the Board's Rules, following timely filing and service of a Statement of Position, the petitioner is required to complete the enclosed Responsive Statement of Position form addressing issues raised in any Statement(s) of Position. The petitioner must file a complete, signed RSOP in response to all other parties' timely filed and served Statement of Position, with all required attachments, with this office and serve it on all parties named in the petition such that it is received by them by **noon Eastern Time on February 07, 2022**. This form solicits information that will facilitate entry into election agreements or streamline the pre-election hearing if the parties are unable to enter into an election agreement. **This form must be e-Filed, but unlike other e-Filed documents, will not be timely if filed on the due date but after noon Eastern Time.** If you have questions about this form or would like assistance in filling out this form, please contact the Board agent named above.

Failure to Supply Information: Failure to supply the information requested by the RSOP form may preclude you from litigating issues under Section 102.66(d) of the Board's Rules and Regulations. Section 102.66(d) provides as follows:

A party shall be precluded from raising any issue, presenting any evidence relating to any issue, cross-examining any witness concerning any issue, and presenting argument concerning any issue that the party failed to raise in its timely Statement of Position or to place in dispute in response to another party's Statement of Position or response, except that no party shall be precluded from contesting or presenting evidence relevant to the Board's statutory jurisdiction to process the petition. Nor shall any party be precluded, on the grounds that a voter's eligibility or inclusion was not contested at the pre-election hearing, from challenging the eligibility of any voter during the election. If a party contends that the proposed unit is not appropriate in its Statement of Position but fails to specify the classifications, locations, or other employee groupings that must be added to or excluded from the proposed unit to make it an appropriate unit, the party shall also be precluded from raising any issue as to the appropriateness of the unit, presenting any evidence relating to the appropriateness of the unit, cross-examining any witness concerning the appropriateness of the unit, and presenting argument concerning the appropriateness of the unit. If the employer fails to timely furnish the lists of employees described in §§ 102.63(b)(1)(iii), (b)(2)(iii), or (b)(3)(iii), the employer shall be precluded from contesting the appropriateness of the proposed unit at any time and from contesting the eligibility or inclusion of any individuals at the pre-election hearing, including by presenting evidence or argument, or by cross-examination of witnesses.

Voter List: If an election is held in this matter, the Employer must transmit to this office and to the other parties to the election, an alphabetized list of the full names and addresses of all eligible voters, including their shifts, job classifications, work locations, and other contact information including available personal email addresses and available personal home and cellular telephone numbers. Usually, the list must be furnished within 2 business days of the issuance of the Decision and Direction of Election or approval of an election agreement. The list must be electronically filed with the Region and served electronically on the other parties. To guard against potential abuse, this list may not be used for purposes other than the representation proceeding, NLRB proceedings arising from it or other related matters.

Under existing NLRB practice, an election is not ordinarily scheduled for a date earlier than 10 days after the date when the Employer must file the voter list with the Regional Office. However, a petitioner and/or union entitled to receive the voter list may waive all or part of the 10-day period by executing Form NLRB-4483, which is available on the NLRB's website or from an NLRB office. A waiver will not be effective unless all parties who are entitled to the voter list agree to waive the same number of days.

Information Needed Now: Please submit to this office, as soon as possible, the following information needed to handle this matter:

- (a) The correct name of the Union as stated in its constitution or bylaws.
- (b) A copy of any existing or recently expired collective-bargaining agreements, and any amendments or extensions, or any recognition agreements covering any employees in the petitioned-for unit.
- (c) If potential voters will need notices or ballots translated into a language other than English, the names of those languages and dialects, if any.
- (d) The name and contact information for any other labor organization (union) claiming to represent or have an interest in any of the employees in the petitioned-for unit and for any employer who may be a joint employer of the employees in the proposed unit. Failure to disclose the existence of an interested party may delay the processing of the petition.

Right to Representation: You have the right to be represented by an attorney or other representative in any proceeding before the NLRB. In view of our policy of processing these cases expeditiously, if you wish to be represented, you should obtain representation promptly. Your representative must notify us in writing of this fact as soon as possible by completing Form NLRB-4701, Notice of Appearance. This form is available on our website, www.nlr.gov, or from an NLRB office upon your request.

If someone contacts you about representing you in this case, please be assured that no organization or person seeking your business has any “inside knowledge” or favored relationship with the NLRB. Their knowledge regarding this matter was obtained only through access to information that must be made available to any member of the public under the Freedom of Information Act.

Procedures: Pursuant to Section 102.5 of the Board’s Rules and Regulations, parties must submit all documentary evidence, including statements of position, exhibits, sworn statements, and/or other evidence, by electronically submitting (E-Filing) them through the Agency’s web site (www.nlr.gov). You must e-file all documents electronically or provide a written statement explaining why electronic submission is not possible or feasible. Failure to comply with Section 102.5 will result in rejection of your submission. The Region will make its determinations solely based on the documents and evidence properly submitted. All evidence submitted electronically should be in the form in which it is normally used and maintained in the course of business (i.e., native format). Where evidence submitted electronically is not in native format, it should be submitted in a manner that retains the essential functionality of the native format (i.e., in a machine-readable and searchable electronic format). If you have questions about the submission of evidence or expect to deliver a large quantity of electronic records, please promptly contact the Board agent investigating the petition.

Information about the NLRB and our customer service standards is available on our website, www.nlr.gov, or from an NLRB office upon your request. We can provide assistance for persons with limited English proficiency or disability. Please let us know if you or any of your witnesses would like such assistance.

Very truly yours,

National Labor Relations Board

NOTICE OF PETITION FOR ELECTION

This notice is to inform employees that Mid-Atlantic Regional Joint Board, Workers United has filed a petition with the National Labor Relations Board (NLRB), a Federal agency, in Case 05-RC-289213 seeking an election to become certified as the representative of the employees of Starbucks Corporation in the unit set forth below:

Included: All full-time and regular part-time Baristas, Shift Supervisors, Asst. Store Manager.
Excluded: Store Managers, office clericals, guards and supervisors as defined by the Act.

This notice also provides you with information about your basic rights under the National Labor Relations Act, the processing of the petition, and rules to keep NLRB elections fair and honest.

YOU HAVE THE RIGHT under Federal Law

- To self-organization
- To form, join, or assist labor organizations
- To bargain collectively through representatives of your own choosing
- To act together for the purposes of collective bargaining or other mutual aid or protection
- To refuse to do any or all of these things unless the union and employer, in a state where such agreements are permitted, enter into a lawful union-security agreement requiring employees to pay periodic dues and initiation fees. Nonmembers who inform the union that they object to the use of their payments for nonrepresentational purposes may be required to pay only their share of the union's costs of representational activities (such as collective bargaining, contract administration, and grievance adjustments).

PROCESSING THIS PETITION

Elections do not necessarily occur in all cases after a petition is filed. **NO FINAL DECISIONS HAVE BEEN MADE YET** regarding the appropriateness of the proposed unit or whether an election will be held in this matter. If appropriate, the NLRB will first see if the parties will enter into an election agreement that specifies the method, date, time, and location of an election and the unit of employees eligible to vote. If the parties do not enter into an election agreement, usually a hearing is held to receive evidence on the appropriateness of the unit and other issues in dispute. After a hearing, an election may be directed by the NLRB, if appropriate.

IF AN ELECTION IS HELD, it will be conducted by the NLRB by secret ballot and Notices of Election will be posted before the election giving complete details for voting.

ELECTION RULES

The NLRB applies rules that are intended to keep its elections fair and honest and that result in a free choice. If agents of any party act in such a way as to interfere with your right to a free election, the election can be set aside by the NLRB. Where appropriate the NLRB provides other remedies, such as reinstatement for employees fired for exercising their rights, including backpay from the party responsible for their discharge.

The following are examples of conduct that interfere with employees' rights and may result in setting aside the election:

- **Threatening loss of jobs or benefits by an employer or a union**
- **Promising or granting promotions, pay raises, or other benefits, to influence an employee's vote by a party capable of carrying out such promises**
- **An employer firing employees to discourage or encourage union activity or a union causing them to be fired to encourage union activity**
- **Making campaign speeches to assembled groups of employees on company time, where attendance is mandatory, within the 24-hour period before the polls for the election first open or, if the election is conducted by mail, from the time and date the ballots are scheduled to be sent out by the Region until the time and date set for their return**
- **Incitement by either an employer or a union of racial or religious prejudice by inflammatory appeals**
- **Threatening physical force or violence to employees by a union or an employer to influence their votes**

Please be assured that IF AN ELECTION IS HELD, every effort will be made to protect your right to a free choice under the law. Improper conduct will not be permitted. All parties are expected to cooperate fully with the NLRB in maintaining basic principles of a fair election as required by law. The NLRB as an agency of the United States Government does not endorse any choice in the election.

For additional information about the processing of petitions, go to www.nlr.gov or contact the NLRB at (410)962-2822.

THIS IS AN OFFICIAL GOVERNMENT NOTICE AND MUST NOT BE DEFACED BY ANYONE. IT MUST REMAIN POSTED WITH ALL PAGES SIMULTANEOUSLY VISIBLE UNTIL REPLACED BY THE NOTICE OF ELECTION OR THE PETITION IS DISMISSED OR WITHDRAWN.

NATIONAL LABOR RELATIONS BOARD

**DESCRIPTION OF REPRESENTATION CASE PROCEDURES
IN CERTIFICATION AND DECERTIFICATION CASES**

The National Labor Relations Act grants employees the right to bargain collectively through representatives of their own choosing and to refrain from such activity. A party may file an RC, RD or RM petition with the National Labor Relations Board (NLRB) to conduct a secret ballot election to determine whether a representative will represent, or continue to represent, a unit of employees. An **RC** petition is generally filed by a union that desires to be certified as the bargaining representative. An **RD** petition is filed by employees who seek to remove the currently recognized union as the bargaining representative. An **RM** petition is filed by an employer who seeks an election because one or more individuals or unions have sought recognition as the bargaining representative, or based on a reasonable belief supported by objective considerations that the currently recognized union has lost its majority status. This form generally describes representation case procedures in RC, RD and RM cases, also referred to as certification and decertification cases.

Right to be Represented – Any party to a case with the NLRB has the right to be represented by an attorney or other representative in any proceeding before the NLRB. A party wishing to have a representative appear on its behalf should have the representative complete a Notice of Appearance (Form NLRB-4701), and E-File it at www.nlr.gov or forward it to the NLRB Regional Office handling the petition as soon as possible.

Filing and Service of Petition – A party filing an RC, RD or RM petition is required to serve a copy of its petition on the parties named in the petition along with this form and the Statement of Position form. The petitioner files the petition with the NLRB, together with (1) a certificate showing service of these documents on the other parties named in the petition, and (2) a showing of interest to support the petition. The showing of interest is not served on the other parties.

Notice of Hearing – After a petition in a certification or decertification case is filed with the NLRB, the NLRB reviews the petition, certificate of service, and the required showing of interest for sufficiency, assigns the petition a case number, and promptly sends letters to the parties notifying them of the Board agent who will be handling the case. In most cases, the letters include a Notice of Representation Hearing. Except in cases presenting unusually complex issues, this pre-election hearing is set for a date 14 business days (excluding weekends and federal holidays) from the date of service of the notice of hearing. Once the hearing begins, it will continue day to day until completed absent extraordinary circumstances. The Notice of Representation Hearing also sets the due date for filing and serving the Statement(s) of Position and the Responsive Statement of Position(s). Included with the Notice of Representation Hearing are the following: (1) copy of the petition, (2) this form, (3) Statement of Position for non-petitioning parties, (4) petitioner's Responsive Statement of Position, (5) Notice of Petition for Election, and (6) letter advising how to contact the Board agent who will be handling the case and discussing those documents.

Hearing Postponement: Requests to postpone the hearing are not routinely granted, but the regional director may postpone the hearing for good cause. A party wishing to request a postponement should make the request in writing and set forth in detail the grounds for the request. The request should include the positions of the other parties regarding the postponement. The request must be filed electronically ("E-Filed") on the Agency's website (www.nlr.gov) by following the instructions on the website. A copy of the request must be served simultaneously on all the other parties, and that fact must be noted in the request.

Statement of Position Form and List(s) of Employees – The Statement of Position form solicits commerce and other information that will facilitate entry into election agreements or streamline the pre-election hearing if the parties are unable to enter into an election agreement. In an **RC** or **RD** case, as part of its Statement of Position form, the employer also provides a list of the full names, work locations, shifts, and job classifications of all individuals in the proposed unit. If the employer contends that the proposed unit is not appropriate, the employer must separately list the same information for all individuals that the employer contends must be added to the proposed unit to make it an appropriate unit, and must further indicate those individuals, if any, whom it believes must be excluded from the proposed unit to make it an appropriate unit. These lists must be alphabetized (overall or by department). Unless the employer certifies that it does not possess the capacity to produce the lists in the required form, the lists must be in a table in a Microsoft Word file (.doc or .docx) or a file that is compatible with Microsoft Word, the first column of the table must begin with each employee's last name, and the font size of the list must be the equivalent of Times New Roman 10 or larger. That font does not need to be used but the font must be that size or larger. A sample, optional

form for the list is provided on the NLRB website at www.nlr.gov/sites/default/files/attachments/basic-page/node-4559/Optional Forms for Voter List.docx

Ordinarily the Statement of Position must be filed with the Regional Office and served on the other parties such that it is received by them by noon 8 business days from the issuance of the Notice of Hearing. The regional director may postpone the due date for filing and serving the Statement of Position for good cause. The Statement of Position form must be E-Filed but, unlike other E-Filed documents, will not be timely if filed on the due date but after noon in the time zone of the Region where the petition is filed. Consequences for failing to satisfy the Statement of Position requirement are discussed on the following page under the heading "Preclusion." A request to postpone the hearing will not automatically be treated as a request for an extension of the Statement of Position due date. If a party wishes to request both a postponement of the hearing and a postponement of the Statement of Position due date, the request must make that clear and must specify the reasons that postponements of both are sought.

Responsive Statement of Position – Petitioner's Responsive Statement(s) of Position solicits a response to the Statement(s) of Position filed by the other parties and further facilitates entry into election agreements or streamlines the preelection hearing. A petitioner must file a Responsive Statement of Position in response to each party's Statement of Position addressing each issue in each Statement of Position(s), if desired. In the case of an RM petition, the employer-petitioner must also provide commerce information and file and serve a list of the full names, work locations, shifts, and job classifications of all individuals in the proposed unit. Ordinarily, the Responsive Statement of Position must be electronically filed with the Regional Office and served on the other parties such that it is received by noon 3 business days prior to the hearing. The regional director may postpone the due date for filing and serving the Responsive Statement of Position for good cause. The Responsive Statement of Position form must be E-Filed but, unlike other E-Filed documents, will not be timely if filed on the due date but after noon in the time zone of the Region where the petition is filed. Consequences for failing to satisfy the Responsive Statement of Position requirement are discussed on the following page under the heading "Preclusion." A request to postpone the hearing will not automatically be treated as a request for an extension of the Responsive Statement of Position due date. If a party wishes to request both a postponement of the hearing and a Postponement of the Responsive Statement of Position due date, the request must make that clear and must specify the reasons that postponements of both are sought.

Posting and Distribution of Notice of Petition for Election – Within 5 business days after service of the notice of hearing, the employer must post the Notice of Petition for Election in conspicuous places, including all places where notices to employees are customarily posted, and must also distribute it electronically to the employees in the petitioned-for unit if the employer customarily communicates with these employees electronically. The employer must maintain the posting until the petition is dismissed or withdrawn, or the Notice of Petition for Election is replaced by the Notice of Election. The employer's failure properly to post or distribute the Notice of Petition for Election may be grounds for setting aside the election if proper and timely objections are filed.

Election Agreements – Elections can occur either by agreement of the parties or by direction of the regional director or the Board. Three types of agreements are available: (1) a Consent Election Agreement (Form NLRB-651); (2) a Stipulated Election Agreement (Form NLRB-652); and (3) a Full Consent Agreement (Form NLRB-5509). In the Consent Election Agreement and the Stipulated Election Agreement, the parties agree on an appropriate unit and the method, date, time, and place of a secret ballot election that will be conducted by an NLRB agent. In the Consent Agreement, the parties also agree that post-election matters (election objections or determinative challenged ballots) will be resolved with finality by the regional director; whereas in the Stipulated Election Agreement, the parties agree that they may request Board review of the regional director's post-election determinations. A Full Consent Agreement provides that the regional director will make final determinations regarding all pre-election and post-election issues.

Hearing Cancellation Based on Agreement of the Parties – The issuance of the Notice of Representation Hearing does not mean that the matter cannot be resolved by agreement of the parties. On the contrary, the NLRB encourages prompt voluntary adjustments and the Board agent assigned to the case will work with the parties to enter into an election agreement, so the parties can avoid the time and expense of participating in a hearing.

Hearing – A hearing will be held unless the parties enter into an election agreement approved by the regional director or the petition is dismissed or withdrawn.

Purpose of Hearing: The primary purpose of a pre-election hearing is to determine if a question of representation exists. A question of representation exists if a proper petition has been filed concerning a unit

appropriate for the purpose of collective bargaining or, in the case of a decertification petition, concerning a unit in which a labor organization has been certified or is being currently recognized by the employer as the bargaining representative.

Issues at Hearing: Issues that might be litigated at the pre-election hearing include: jurisdiction; labor organization status; bars to elections; unit appropriateness; expanding and contracting unit issues; inclusion of professional employees with nonprofessional employees; seasonal operation; potential mixed guard/non-guard unit; and eligibility formulas. At the hearing, the timely filed Statement of Position and Responsive Statement of Position(s) will be received into evidence. The hearing officer will not receive evidence concerning any issue as to which the parties have not taken adverse positions, except for evidence regarding the Board's jurisdiction over the employer and evidence concerning any issue, such as the appropriateness of the proposed unit, as to which the regional director determines that record evidence is necessary.

Preclusion: At the hearing, a party will be precluded from raising any issue, presenting any evidence relating to any issue, cross-examining any witness concerning any issue, and presenting argument concerning any issue that the party failed to raise in its timely Statement of Position or Responsive Statement of Position(s) or to place in dispute in timely response to another party's Statement of Position or response, except that no party will be precluded from contesting or presenting evidence relevant to the Board's statutory jurisdiction to process the petition. Nor shall any party be precluded, on the grounds that a voter's eligibility or inclusion was not contested at the pre-election hearing, from challenging the eligibility of any voter during the election. If a party contends that the proposed unit is not appropriate in its Statement of Position but fails to specify the classifications, locations, or other employee groupings that must be added to or excluded from the proposed unit to make it an appropriate unit, the party shall also be precluded from raising any issue as to the appropriateness of the unit, presenting any evidence relating to the appropriateness of the unit, cross examining any witness concerning the appropriateness of the unit, and presenting argument concerning the appropriateness of the unit. As set forth in §102.66(d) of the Board's rules, if the employer fails to timely furnish the lists of employees, the employer will be precluded from contesting the appropriateness of the proposed unit at any time and from contesting the eligibility or inclusion of any individuals at the pre-election hearing, including by presenting evidence or argument, or by cross-examination of witnesses.

Conduct of Hearing: If held, the hearing is usually open to the public and will be conducted by a hearing officer of the NLRB. Any party has the right to appear at any hearing in person, by counsel, or by other representative, to call, examine, and cross-examine witnesses, and to introduce into the record evidence of the significant facts that support the party's contentions and are relevant to the existence of a question of representation. The hearing officer also has the power to call, examine, and cross-examine witnesses and to introduce into the record documentary and other evidence. Witnesses will be examined orally under oath. The rules of evidence prevailing in courts of law or equity shall not be controlling. Parties appearing at any hearing who have or whose witnesses have disabilities falling within the provisions of Section 504 of the Rehabilitation Act of 1973, as amended, and 29 C.F.R. 100.503, and who in order to participate in this hearing need appropriate auxiliary aids, as defined in 29 C.F.R. 100.503, should notify the regional director as soon as possible and request the necessary assistance.

Official Record: An official reporter will make the only official transcript of the proceedings and all citations in briefs or arguments must refer to the official record. (Copies of exhibits should be supplied to the hearing officer and other parties at the time the exhibit is offered in evidence.) All statements made at the hearing will be recorded by the official reporter while the hearing is on the record. If a party wishes to make off-the-record remarks, requests to make such remarks should be directed to the hearing officer and not to the official reporter. After the close of the hearing, any request for corrections to the record, either by stipulation or motion, should be forwarded to the regional director.

Motions and Objections: All motions must be in writing unless stated orally on the record at the hearing and must briefly state the relief sought and the grounds for the motion. A copy of any motion must be served immediately on the other parties to the proceeding. Motions made during the hearing are filed with the hearing officer. All other motions are filed with the regional director, except that motions made after the transfer of the record to the Board are filed with the Board. If not E-Filed, an original and two copies of written motions shall be filed. Statements of reasons in support of motions or objections should be as concise as possible. Objections shall not be deemed waived by further participation in the hearing. On appropriate request, objections may be permitted to stand to an entire line of questioning. Automatic exceptions will be allowed to all adverse rulings.

Election Details: Prior to the close of the hearing the hearing officer will: (1) solicit the parties' positions (but will not permit litigation) on the type, date(s), time(s), and location(s) of the election and the eligibility period; (2) solicit the name, address, email address, facsimile number, and phone number of the employer's on-site representative to whom the regional director should transmit the Notice of Election if an election is directed; (3) inform the parties that the regional director will issue a decision as soon as practicable and will immediately transmit the document to the parties and their designated representatives by email, facsimile, or by overnight mail (if neither an email address nor facsimile number was provided); and (4) inform the parties of their obligations if the director directs an election and of the time for complying with those obligations.

Oral Argument and Briefs: Upon request, any party is entitled to a reasonable period at the close of the hearing for oral argument, which will be included in the official transcript of the hearing. At any time before the close of the hearing, any party may file a memorandum addressing relevant issues or points of law. Post-hearing briefs shall be due within 5 business days of the close of the hearing. The hearing officer may allow up to 10 additional business days for such briefs prior to the close of hearing and for good cause. If filed, copies of the memorandum or brief shall be served on all other parties to the proceeding and a statement of such service shall be filed with the memorandum or brief. No reply brief may be filed except upon special leave of the regional director. Briefs including electronic documents, filed with the Regional Director must be formatted as double-spaced in an 8½ by 11 inch format and must be e-filed through the Board's website, www.nlr.gov.

Regional Director Decision - After the hearing, the regional director issues a decision directing an election, dismissing the petition or reopening the hearing. A request for review of the regional director's pre-election decision may be filed with the Board at any time after issuance of the decision until 10 business days after a final disposition of the proceeding by the regional director. Accordingly, a party need not file a request for review before the election in order to preserve its right to contest that decision after the election. Instead, a party can wait to see whether the election results have mooted the basis of an appeal. The Board will grant a request for review only where compelling reasons exist therefor.

Voter List – The employer must provide to the regional director and the parties named in the election agreement or direction of election a list of the full names, work locations, shifts, job classifications, and contact information (including home addresses, available personal email addresses, and available home and personal cellular ("cell") telephone numbers) of all eligible voters. (In construction industry elections, unless the parties stipulate to the contrary, also eligible to vote are all employees in the unit who either (1) were employed a total of 30 working days or more within the 12 months preceding the election eligibility date or (2) had some employment in the 12 months preceding the election eligibility date and were employed 45 working days or more within the 24 months immediately preceding the election eligibility date. However, employees meeting either of those criteria who were terminated for cause or who quit voluntarily prior to the completion of the last job for which they were employed, are not eligible.) The employer must also include in a separate section of the voter list the same information for those individuals whom the parties have agreed should be permitted to vote subject to challenge or those individuals who, according to the direction of election, will be permitted to vote subject to challenge. The list of names must be alphabetized (overall or by department) and be in the same Microsoft Word file (or Microsoft Word compatible file) format as the initial lists provided with the Statement of Position form unless the parties agree to a different format or the employer certifies that it does not possess the capacity to produce the list in the required form. When feasible, the list must be filed electronically with the regional director and served electronically on the other parties named in the agreement or direction. To be timely filed and served, the voter list must be received by the regional director and the parties named in the agreement or direction respectively within 2 business days after the approval of the agreement or issuance of the direction of elections unless a longer time is specified in the agreement or direction. A certificate of service on all parties must be filed with the regional director when the voter list is filed. The employer's failure to file or serve the list within the specified time or in proper format shall be grounds for setting aside the election whenever proper and timely objections are filed. The parties shall not use the list for purposes other than the representation proceeding, Board proceedings arising from it, and related matters.

Waiver of Time to Use Voter List – Under existing NLRB practice, an election is not ordinarily scheduled for a date earlier than 10 calendar days after the date when the employer must file the voter list with the Regional Office. However, the parties entitled to receive the voter list may waive all or part of the 10-day period by executing Form NLRB-4483. A waiver will not be effective unless all parties who are entitled to the list agree to waive the same number of days.

Election – Information about the election, requirements to post and distribute the Notice of Election, and possible proceedings after the election is available from the Regional Office and will be provided to the parties when the Notice of Election is sent to the parties.

Withdrawal or Dismissal – If it is determined that the NLRB does not have jurisdiction or that other criteria for proceeding to an election are not met, the petitioner is offered an opportunity to withdraw the petition. If the petitioner does not withdraw the petition, the regional director will dismiss the petition and advise the petitioner of the reason for the dismissal and of the right to appeal to the Board.

If you are required to complete the form, you must have it signed by an authorized representative and file a completed copy (including all attachments) with the RD and serve copies on all parties named in the petition by the date and time established for its submission. If more space is needed for your answers, additional pages may be attached. If you have questions about this form or would like assistance in filling out this form, please contact the Board agent assigned to handle this case. **You must EFile your Statement of Position at www.nlr.gov, but unlike other e-Filed documents, it will *not* be timely if filed on the due date but after noon in the time zone of the Region where the petition was filed.**

Note: Non-employer parties who complete this Statement of Position are NOT required to complete items 8f and 8g of the form, or to provide a commerce questionnaire or the lists described in item 7.

Required Lists: The employer's Statement of Position must include a list of the full names, work locations, shifts, and job classifications of all individuals in the proposed unit as of the payroll period preceding the filing of the petition who remain employed at the time of filing. If the employer contends that the proposed unit is inappropriate, the employer must separately list the full names, work locations, shifts and job classifications of all individuals that it contends must be added to the proposed unit to make it an appropriate unit. The employer must also indicate those individuals, if any, whom it believes must be excluded from the proposed unit to make it an appropriate unit. These lists must be alphabetized (overall or by department). Unless the employer certifies that it does not possess the capacity to produce the lists in the required form, the lists must be in a table in a Microsoft Word file (.doc or .docx) or a file that is compatible with Microsoft Word, the first column of the table must begin with each employee's last name, and the font size of the list must be the equivalent of Times New Roman 10 or larger. That font does not need to be used but the font must be that size or larger. A sample, optional form for the list is provided on the NLRB website at [www.nlr.gov/sites/default/files/attachments/basic-page/node-4559/Optional Forms for Voter List.docx](http://www.nlr.gov/sites/default/files/attachments/basic-page/node-4559/Optional%20Forms%20for%20Voter%20List.docx).

Consequences of Failure to Supply Information: Failure to supply the information requested by this form may preclude you from litigating issues under 102.66(d) of the Board's Rules and Regulations. Section 102.66(d) provides as follows:

A party shall be precluded from raising any issue, presenting any evidence relating to any issue, cross-examining any witness concerning any issue, and presenting argument concerning any issue that the party failed to raise in its timely Statement of Position or to place in dispute in response to another party's Statement of Position or response, except that no party shall be precluded from contesting or presenting evidence relevant to the Board's statutory jurisdiction to process the petition. Nor shall any party be precluded, on the grounds that a voter's eligibility or inclusion was not contested at the pre-election hearing, from challenging the eligibility of any voter during the election. If a party contends that the proposed unit is not appropriate in its Statement of Position but fails to specify the classifications, locations, or other employee groupings that must be added to or excluded from the proposed unit to make it an appropriate unit, the party shall also be precluded from raising any issue as to the appropriateness of the unit, presenting any evidence relating to the appropriateness of the unit, cross-examining any witness concerning the appropriateness of the unit, and presenting argument concerning the appropriateness of the unit. If the employer fails to timely furnish the lists of employees described in §§102.63(b)(1)(iii), (b)(2)(iii), or (b)(3)(iii), the employer shall be precluded from contesting the appropriateness of the proposed unit at any time and from contesting the eligibility or inclusion of any individuals at the pre-election hearing, including by presenting evidence or argument, or by cross-examination of witnesses.

REVIEW THE FOLLOWING IMPORTANT INFORMATION BEFORE FILLING OUT A RESPONSIVE STATEMENT OF POSITION FORM

Completing and Filing this Form: For **RC and RD petitions**, the Petitioner is required to complete this form in response to each timely filed and served Statement of Position filed by another party. For **RM petitions**, the Employer-Petitioner must complete a Responsive Statement of Position form and submit the list described below. In accordance with Section 102.63(b) of the Board's Rules, if you are required to complete the form, you must have it signed by an authorized representative, and file a completed copy with any necessary attachments, with this office and serve it on all parties named in the petition responding to the issues raised in another party's Statement of Position, such that it is received no later than noon three business days before the date of the hearing. A separate form must be completed for each timely filed and properly served Statement of Position you receive. If more space is needed for your answers, additional pages may be attached. If you have questions about this form or would like assistance in filling out this form, please contact the Board agent assigned to handle this case. **You must E-File your Responsive Statement of Position at www.NLRB.gov, but unlike other e-Filed documents, it will *not* be timely if filed on the due date but after noon in the time zone of the Region where the petition was filed. Note that if you are completing this form as a PDF downloaded from www.NLRB.gov, the form will lock upon signature and no further editing may be made.**

Required List: In addition to responding to the issues raised in another party's Statement of Position, if any, the Employer-Petitioner in an RM case is required to file and serve on the parties a list of the full names, work locations, shifts, and job classifications of all individuals in the proposed unit as of the payroll period preceding the filing of the petition who remain employed at the time of filing. This list must be alphabetized (overall or by department). Unless the employer certifies that it does not possess the capacity to produce the list in the required form, the list must be in a table in a Microsoft Word file (.doc or .docx) or a file that is compatible with Microsoft Word, the first column of the table must begin with each employee's last name, and the font size of the list must be the equivalent of Times New Roman 10 or larger. That font does not need to be used but the font must be that size or larger. A sample, optional form for the list is provided on the NLRB website at [www.nlr.gov/sites/default/files/attachments/basic-page/node-4559/Optional Forms for Voter List.docx](http://www.nlr.gov/sites/default/files/attachments/basic-page/node-4559/Optional%20Forms%20for%20Voter%20List.docx)

Consequences of Failure to Submit a Responsive Statement of Position: Failure to supply the information requested by this form may preclude you from litigating issues under 102.66(d) of the Board's Rules and Regulations. Section 102.66(d) provides as follows:

A party shall be precluded from raising any issue, presenting any evidence relating to any issue, cross-examining any witness concerning any issue, and presenting argument concerning any issue that the party failed to raise in its timely Statement of Position or to place in dispute in response to another party's Statement of Position or response, except that no party shall be precluded from contesting or presenting evidence relevant to the Board's statutory jurisdiction to process the petition. Nor shall any party be precluded, on the grounds that a voter's eligibility or inclusion was not contested at the pre-election hearing, from challenging the eligibility of any voter during the election. If a party contends that the proposed unit is not appropriate in its Statement of Position but fails to specify the classifications, locations, or other employee groupings that must be added to or excluded from the proposed unit to make it an appropriate unit, the party shall also be precluded from raising any issue as to the appropriateness of the unit, presenting any evidence relating to the appropriateness of the unit, cross-examining any witness concerning the appropriateness of the unit, and presenting argument concerning the appropriateness of the unit. If the employer fails to timely furnish the lists of employees described in §§102.63(b)(1)(iii), (b)(2)(iii), or (b)(3)(iii), the employer shall be precluded from contesting the appropriateness of the proposed unit at any time and from contesting the eligibility or inclusion of any individuals at the pre-election hearing, including by presenting evidence or argument, or by cross-examination of witnesses.

Re: Starbucks Corporation
Case 05-RC-289213

Dear Mr. Johnson:

Enclosed is a copy of a petition that Mid-Atlantic Regional Joint Board, Workers United filed with the National Labor Relations Board (NLRB) seeking to represent certain of your employees. After a petition is filed, the employer is required to promptly take certain actions so please read this letter carefully to make sure you are aware of the employer's obligations. This letter tells you how to contact the Board agent who will be handling this matter, about the requirement to post and distribute the Notice of Petition for Election, the requirement to complete and serve a Statement of Position Form, the Petitioner's requirement to complete and serve a Responsive Statement of Position Form, a scheduled hearing in this matter, other information needed including a voter list, your right to be represented, and NLRB procedures, including how to submit documents to the NLRB.

Investigator: This petition will be investigated by Field Examiner Cameron Myers whose telephone number is (410)962-2737. The Board agent will contact you shortly to discuss processing the petition. If you have any questions, please do not hesitate to call the Board agent. If the agent is not available, you may contact Supervisory Field Attorney Patrick J. Cullen whose telephone number is (410)962-2916. The Board agent may also contact you and the other party or parties to schedule a conference meeting or telephonic or video conference for some time before the close of business the day following receipt of the final Responsive Statement(s) of Position. This will give the parties sufficient time to determine if any issues can be resolved prior to hearing or if a hearing is necessary. If appropriate, the NLRB attempts to schedule an election either by agreement of the parties or by holding a hearing and then directing an election.

Required Posting and Distribution of Notice: You must post the enclosed Notice of Petition for Election by **January 28, 2022**, in conspicuous places, including all places where notices to employees are customarily posted. The Notice of Petition for Election must be posted so all pages are simultaneously visible. If you customarily communicate electronically with employees in the petitioned-for unit, you must also distribute the notice electronically to them.

You must maintain the posting until the petition is dismissed or withdrawn or this notice is replaced by the Notice of Election. Posting and distribution of the Notice of Petition for Election will inform the employees whose representation is at issue and the employer of their rights and obligations under the National Labor Relations Act in the representation context. Failure to post or distribute the notice may be grounds for setting aside an election if proper and timely objections are filed.

Required Statement of Position: In accordance with Section 102.63(b) of the Board's Rules, the employer is required to complete the enclosed Statement of Position form (including the attached Commerce Questionnaire), have it signed by an authorized representative, and file a completed copy (with all required attachments) with this office and serve it on all parties named in the petition such that it is received by them by **noon Eastern Time on February 02, 2022**. This form solicits information that will facilitate entry into election agreements or streamline the pre-election hearing if the parties are unable to enter into an election agreement. **This form must be e-Filed, but unlike other e-Filed documents, will *not* be timely if filed on the due date but after noon February 02, 2022.** If you have questions about this form or would like assistance in filling out this form, please contact the Board agent named above.

List(s) of Employees: The employer's Statement of Position must include a list of the full names, work locations, shifts, and job classifications of all individuals in the proposed unit as of the payroll period preceding the filing of the petition who remain employed at the time of filing. If the employer contends that the proposed unit is inappropriate, the employer must separately list the full names, work locations, shifts and job classifications of all individuals that it contends must be added to the proposed unit to make it an appropriate unit. The employer must also indicate those individuals, if any, whom it believes must be excluded from the proposed unit to make it an appropriate unit. These lists must be alphabetized (overall or by department). Unless the employer certifies that it does not possess the capacity to produce the lists in the required form, the lists must be in a table in a Microsoft Word file (.doc or .docx) or a file that is compatible with Microsoft Word, the first column of the table must begin with each employee's last name, and the font size of the list must be the equivalent of Times New Roman 10 or larger. That font does not need to be used but the font must be that size or larger. A sample, optional form for the list is provided on the NLRB website at [www.nlr.gov/sites/default/files/attachments/basic-page/node-4559/Optional Forms for Voter List.docx](http://www.nlr.gov/sites/default/files/attachments/basic-page/node-4559/Optional%20Forms%20for%20Voter%20List.docx)

Failure to Supply Information: Failure to supply the information requested by this form may preclude you from litigating issues under Section 102.66(d) of the Board's Rules and Regulations. Section 102.66(d) provides as follows:

A party shall be precluded from raising any issue, presenting any evidence relating to any issue, cross-examining any witness concerning any issue, and presenting argument concerning any issue that the party failed to raise in its timely Statement of Position or to place in dispute in response to another party's Statement of Position or response, except that no party shall be precluded from contesting or presenting evidence relevant to the Board's statutory jurisdiction

to process the petition. Nor shall any party be precluded, on the grounds that a voter's eligibility or inclusion was not contested at the pre-election hearing, from challenging the eligibility of any voter during the election. If a party contends that the proposed unit is not appropriate in its Statement of Position but fails to specify the classifications, locations, or other employee groupings that must be added to or excluded from the proposed unit to make it an appropriate unit, the party shall also be precluded from raising any issue as to the appropriateness of the unit, presenting any evidence relating to the appropriateness of the unit, cross-examining any witness concerning the appropriateness of the unit, and presenting argument concerning the appropriateness of the unit. If the employer fails to timely furnish the lists of employees described in §§ 102.63(b)(1)(iii), (b)(2)(iii), or (b)(3)(iii), the employer shall be precluded from contesting the appropriateness of the proposed unit at any time and from contesting the eligibility or inclusion of any individuals at the pre-election hearing, including by presenting evidence or argument, or by cross-examination of witnesses.

Responsive Statement of Position: In accordance with Section 102.63(b) of the Board's Rules, following timely filing and service of an employer's Statement of Position, the petitioner is required to complete the enclosed Responsive Statement of Position form, have it signed by an authorized representative, and file a completed copy with any necessary attachments, with this office and serve it on all parties named in the petition responding to the issues raised in the employer's Statement of Position, such that it is received no later than **noon Eastern Time on February 07, 2022.**

Notice of Hearing: Enclosed is a Notice of Representation Hearing to be conducted at **9:00 a.m. on Thursday, February 10, 2022 via Videoconference**, if the parties do not voluntarily agree to an election. If a hearing is necessary, the hearing will run on consecutive days until concluded unless the regional director concludes that extraordinary circumstances warrant otherwise. Before the hearing begins, the NLRB will continue to explore potential areas of agreement with the parties in order to reach an election agreement and to eliminate or limit the costs associated with formal hearings.

Upon request of a party showing good cause, the regional director may postpone the hearing. A party desiring a postponement should make the request to the regional director in writing, set forth in detail the grounds for the request, and include the positions of the other parties regarding the postponement. E-Filing the request is required. A copy of the request must be served simultaneously on all the other parties, and that fact must be noted in the request.

Other Information Needed Now: Please submit to this office, as soon as possible, the following information needed to handle this matter:

- (a) A copy of any existing or recently expired collective-bargaining agreements, and any amendments or extensions, or any recognition agreements covering any of your employees in the unit involved in the petition (the petitioned-for unit);

- (b) The name and contact information for any other labor organization (union) claiming to represent any of the employees in the petitioned-for unit;
- (c) If potential voters will need notices or ballots translated into a language other than English, the names of those languages and dialects, if any.
- (d) If you desire a formal check of the showing of interest, you must provide an alphabetized payroll list of employees in the petitioned-for unit, with their job classifications, for the payroll period immediately before the date of this petition. Such a payroll list should be submitted as early as possible prior to the hearing. Ordinarily a formal check of the showing of interest is not performed using the employee list submitted as part of the Statement of Position.

Voter List: If an election is held in this matter, the employer must transmit to this office and to the other parties to the election, an alphabetized list of the full names, work locations, shifts, job classifications, and contact information (including home addresses, available personal email addresses, and available home and personal cellular telephone numbers) of eligible voters. Usually, the list must be furnished within 2 business days of the issuance of the Decision and Direction of Election or approval of an election agreement. I am advising you of this requirement now, so that you will have ample time to prepare this list. The list must be electronically filed with the Region and served electronically on the other parties. To guard against potential abuse, this list may not be used for purposes other than the representation proceeding, NLRB proceedings arising from it or other related matters.

Right to Representation: You have the right to be represented by an attorney or other representative in any proceeding before us. If you choose to be represented, your representative must notify us in writing of this fact as soon as possible by completing Form NLRB-4701, Notice of Appearance. This form is available on our website, www.nlr.gov, or at the Regional office upon your request.

If someone contacts you about representing you in this case, please be assured that no organization or person seeking your business has any “inside knowledge” or favored relationship with the NLRB. Their knowledge regarding this matter was only obtained through access to information that must be made available to any member of the public under the Freedom of Information Act.

Procedures: Pursuant to Section 102.5 of the Board’s Rules and Regulations, parties must submit all documentary evidence, including statements of position, exhibits, sworn statements, and/or other evidence, by electronically submitting (E-Filing) them through the Agency’s web site (www.nlr.gov). You must e-file all documents electronically or provide a written statement explaining why electronic submission is not possible or feasible. Failure to comply with Section 102.5 will result in rejection of your submission. The Region will make its determinations solely based on the documents and evidence properly submitted. All evidence submitted electronically should be in the form in which it is normally used and maintained in the course of business (i.e., native format). Where evidence submitted electronically is not in native format, it should be submitted in a manner that retains the essential functionality of the native

format (i.e., in a machine-readable and searchable electronic format). If you have questions about the submission of evidence or expect to deliver a large quantity of electronic records, please promptly contact the Board agent investigating the petition.

Information about the NLRB and our customer service standards is available on our website, www.nlr.gov, or from an NLRB office upon your request. We can provide assistance for persons with limited English proficiency or disability. Please let us know if you or any of your witnesses would like such assistance.

Very truly yours,

National Labor Relations Board

NOTICE OF PETITION FOR ELECTION

This notice is to inform employees that Mid-Atlantic Regional Joint Board, Workers United has filed a petition with the National Labor Relations Board (NLRB), a Federal agency, in Case 05-RC-289213 seeking an election to become certified as the representative of the employees of Starbucks Corporation in the unit set forth below:

Included: All full-time and regular part-time Baristas, Shift Supervisors, Asst. Store Manager.
Excluded: Store Managers, office clericals, guards and supervisors as defined by the Act.

This notice also provides you with information about your basic rights under the National Labor Relations Act, the processing of the petition, and rules to keep NLRB elections fair and honest.

YOU HAVE THE RIGHT under Federal Law

- To self-organization
- To form, join, or assist labor organizations
- To bargain collectively through representatives of your own choosing
- To act together for the purposes of collective bargaining or other mutual aid or protection
- To refuse to do any or all of these things unless the union and employer, in a state where such agreements are permitted, enter into a lawful union-security agreement requiring employees to pay periodic dues and initiation fees. Nonmembers who inform the union that they object to the use of their payments for nonrepresentational purposes may be required to pay only their share of the union's costs of representational activities (such as collective bargaining, contract administration, and grievance adjustments).

PROCESSING THIS PETITION

Elections do not necessarily occur in all cases after a petition is filed. **NO FINAL DECISIONS HAVE BEEN MADE YET** regarding the appropriateness of the proposed unit or whether an election will be held in this matter. If appropriate, the NLRB will first see if the parties will enter into an election agreement that specifies the method, date, time, and location of an election and the unit of employees eligible to vote. If the parties do not enter into an election agreement, usually a hearing is held to receive evidence on the appropriateness of the unit and other issues in dispute. After a hearing, an election may be directed by the NLRB, if appropriate.

IF AN ELECTION IS HELD, it will be conducted by the NLRB by secret ballot and Notices of Election will be posted before the election giving complete details for voting.

ELECTION RULES

The NLRB applies rules that are intended to keep its elections fair and honest and that result in a free choice. If agents of any party act in such a way as to interfere with your right to a free election, the election can be set aside by the NLRB. Where appropriate the NLRB provides other remedies, such as reinstatement for employees fired for exercising their rights, including backpay from the party responsible for their discharge.

The following are examples of conduct that interfere with employees' rights and may result in setting aside the election:

- Threatening loss of jobs or benefits by an employer or a union
- Promising or granting promotions, pay raises, or other benefits, to influence an employee's vote by a party capable of carrying out such promises
- An employer firing employees to discourage or encourage union activity or a union causing them to be fired to encourage union activity
- Making campaign speeches to assembled groups of employees on company time, where attendance is mandatory, within the 24-hour period before the polls for the election first open or, if the election is conducted by mail, from the time and date the ballots are scheduled to be sent out by the Region until the time and date set for their return
- Incitement by either an employer or a union of racial or religious prejudice by inflammatory appeals
- Threatening physical force or violence to employees by a union or an employer to influence their votes

Please be assured that IF AN ELECTION IS HELD, every effort will be made to protect your right to a free choice under the law. Improper conduct will not be permitted. All parties are expected to cooperate fully with the NLRB in maintaining basic principles of a fair election as required by law. The NLRB as an agency of the United States Government does not endorse any choice in the election.

For additional information about the processing of petitions, go to www.nlr.gov or contact the NLRB at (410)962-2822.

THIS IS AN OFFICIAL GOVERNMENT NOTICE AND MUST NOT BE DEFACED BY ANYONE. IT MUST REMAIN POSTED WITH ALL PAGES SIMULTANEOUSLY VISIBLE UNTIL REPLACED BY THE NOTICE OF ELECTION OR THE PETITION IS DISMISSED OR WITHDRAWN.

**DESCRIPTION OF REPRESENTATION CASE PROCEDURES
IN CERTIFICATION AND DECERTIFICATION CASES**

The National Labor Relations Act grants employees the right to bargain collectively through representatives of their own choosing and to refrain from such activity. A party may file an RC, RD or RM petition with the National Labor Relations Board (NLRB) to conduct a secret ballot election to determine whether a representative will represent, or continue to represent, a unit of employees. An **RC** petition is generally filed by a union that desires to be certified as the bargaining representative. An **RD** petition is filed by employees who seek to remove the currently recognized union as the bargaining representative. An **RM** petition is filed by an employer who seeks an election because one or more individuals or unions have sought recognition as the bargaining representative, or based on a reasonable belief supported by objective considerations that the currently recognized union has lost its majority status. This form generally describes representation case procedures in RC, RD and RM cases, also referred to as certification and decertification cases.

Right to be Represented – Any party to a case with the NLRB has the right to be represented by an attorney or other representative in any proceeding before the NLRB. A party wishing to have a representative appear on its behalf should have the representative complete a Notice of Appearance (Form NLRB-4701), and E-File it at www.nlr.gov or forward it to the NLRB Regional Office handling the petition as soon as possible.

Filing and Service of Petition – A party filing an RC, RD or RM petition is required to serve a copy of its petition on the parties named in the petition along with this form and the Statement of Position form. The petitioner files the petition with the NLRB, together with (1) a certificate showing service of these documents on the other parties named in the petition, and (2) a showing of interest to support the petition. The showing of interest is not served on the other parties.

Notice of Hearing – After a petition in a certification or decertification case is filed with the NLRB, the NLRB reviews the petition, certificate of service, and the required showing of interest for sufficiency, assigns the petition a case number, and promptly sends letters to the parties notifying them of the Board agent who will be handling the case. In most cases, the letters include a Notice of Representation Hearing. Except in cases presenting unusually complex issues, this pre-election hearing is set for a date 14 business days (excluding weekends and federal holidays) from the date of service of the notice of hearing. Once the hearing begins, it will continue day to day until completed absent extraordinary circumstances. The Notice of Representation Hearing also sets the due date for filing and serving the Statement(s) of Position and the Responsive Statement of Position(s). Included with the Notice of Representation Hearing are the following: (1) copy of the petition, (2) this form, (3) Statement of Position for non-petitioning parties, (4) petitioner's Responsive Statement of Position, (5) Notice of Petition for Election, and (6) letter advising how to contact the Board agent who will be handling the case and discussing those documents.

Hearing Postponement: Requests to postpone the hearing are not routinely granted, but the regional director may postpone the hearing for good cause. A party wishing to request a postponement should make the request in writing and set forth in detail the grounds for the request. The request should include the positions of the other parties regarding the postponement. The request must be filed electronically ("E-Filed") on the Agency's website (www.nlr.gov) by following the instructions on the website. A copy of the request must be served simultaneously on all the other parties, and that fact must be noted in the request.

Statement of Position Form and List(s) of Employees – The Statement of Position form solicits commerce and other information that will facilitate entry into election agreements or streamline the pre-election hearing if the parties are unable to enter into an election agreement. In an **RC** or **RD** case, as part of its Statement of Position form, the employer also provides a list of the full names, work locations, shifts, and job classifications of all individuals in the proposed unit. If the employer contends that the proposed unit is not appropriate, the employer must separately list the same information for all individuals that the employer contends must be added to the proposed unit to make it an appropriate unit, and must further indicate those individuals, if any, whom it believes must be excluded from the proposed unit to make it an appropriate unit. These lists must be alphabetized (overall or by department). Unless the employer certifies that it does not possess the capacity to produce the lists in the required form, the lists must be in a table in a Microsoft Word file (.doc or .docx) or a file that is compatible with Microsoft Word, the first column of the table must begin with each employee's last name, and the font size of the list must be the equivalent of Times New Roman 10 or larger. That font does not need to be used but the font must be that size or larger. A sample, optional

form for the list is provided on the NLRB website at www.nlr.gov/sites/default/files/attachments/basic-page/node-4559/Optional Forms for Voter List.docx

Ordinarily the Statement of Position must be filed with the Regional Office and served on the other parties such that it is received by them by noon 8 business days from the issuance of the Notice of Hearing. The regional director may postpone the due date for filing and serving the Statement of Position for good cause. The Statement of Position form must be E-Filed but, unlike other E-Filed documents, will not be timely if filed on the due date but after noon in the time zone of the Region where the petition is filed. Consequences for failing to satisfy the Statement of Position requirement are discussed on the following page under the heading "Preclusion." A request to postpone the hearing will not automatically be treated as a request for an extension of the Statement of Position due date. If a party wishes to request both a postponement of the hearing and a postponement of the Statement of Position due date, the request must make that clear and must specify the reasons that postponements of both are sought.

Responsive Statement of Position – Petitioner's Responsive Statement(s) of Position solicits a response to the Statement(s) of Position filed by the other parties and further facilitates entry into election agreements or streamlines the preelection hearing. A petitioner must file a Responsive Statement of Position in response to each party's Statement of Position addressing each issue in each Statement of Position(s), if desired. In the case of an RM petition, the employer-petitioner must also provide commerce information and file and serve a list of the full names, work locations, shifts, and job classifications of all individuals in the proposed unit. Ordinarily, the Responsive Statement of Position must be electronically filed with the Regional Office and served on the other parties such that it is received by noon 3 business days prior to the hearing. The regional director may postpone the due date for filing and serving the Responsive Statement of Position for good cause. The Responsive Statement of Position form must be E-Filed but, unlike other E-Filed documents, will not be timely if filed on the due date but after noon in the time zone of the Region where the petition is filed. Consequences for failing to satisfy the Responsive Statement of Position requirement are discussed on the following page under the heading "Preclusion." A request to postpone the hearing will not automatically be treated as a request for an extension of the Responsive Statement of Position due date. If a party wishes to request both a postponement of the hearing and a Postponement of the Responsive Statement of Position due date, the request must make that clear and must specify the reasons that postponements of both are sought.

Posting and Distribution of Notice of Petition for Election – Within 5 business days after service of the notice of hearing, the employer must post the Notice of Petition for Election in conspicuous places, including all places where notices to employees are customarily posted, and must also distribute it electronically to the employees in the petitioned-for unit if the employer customarily communicates with these employees electronically. The employer must maintain the posting until the petition is dismissed or withdrawn, or the Notice of Petition for Election is replaced by the Notice of Election. The employer's failure properly to post or distribute the Notice of Petition for Election may be grounds for setting aside the election if proper and timely objections are filed.

Election Agreements – Elections can occur either by agreement of the parties or by direction of the regional director or the Board. Three types of agreements are available: (1) a Consent Election Agreement (Form NLRB-651); (2) a Stipulated Election Agreement (Form NLRB-652); and (3) a Full Consent Agreement (Form NLRB-5509). In the Consent Election Agreement and the Stipulated Election Agreement, the parties agree on an appropriate unit and the method, date, time, and place of a secret ballot election that will be conducted by an NLRB agent. In the Consent Agreement, the parties also agree that post-election matters (election objections or determinative challenged ballots) will be resolved with finality by the regional director; whereas in the Stipulated Election Agreement, the parties agree that they may request Board review of the regional director's post-election determinations. A Full Consent Agreement provides that the regional director will make final determinations regarding all pre-election and post-election issues.

Hearing Cancellation Based on Agreement of the Parties – The issuance of the Notice of Representation Hearing does not mean that the matter cannot be resolved by agreement of the parties. On the contrary, the NLRB encourages prompt voluntary adjustments and the Board agent assigned to the case will work with the parties to enter into an election agreement, so the parties can avoid the time and expense of participating in a hearing.

Hearing – A hearing will be held unless the parties enter into an election agreement approved by the regional director or the petition is dismissed or withdrawn.

Purpose of Hearing: The primary purpose of a pre-election hearing is to determine if a question of representation exists. A question of representation exists if a proper petition has been filed concerning a unit

appropriate for the purpose of collective bargaining or, in the case of a decertification petition, concerning a unit in which a labor organization has been certified or is being currently recognized by the employer as the bargaining representative.

Issues at Hearing: Issues that might be litigated at the pre-election hearing include: jurisdiction; labor organization status; bars to elections; unit appropriateness; expanding and contracting unit issues; inclusion of professional employees with nonprofessional employees; seasonal operation; potential mixed guard/non-guard unit; and eligibility formulas. At the hearing, the timely filed Statement of Position and Responsive Statement of Position(s) will be received into evidence. The hearing officer will not receive evidence concerning any issue as to which the parties have not taken adverse positions, except for evidence regarding the Board's jurisdiction over the employer and evidence concerning any issue, such as the appropriateness of the proposed unit, as to which the regional director determines that record evidence is necessary.

Preclusion: At the hearing, a party will be precluded from raising any issue, presenting any evidence relating to any issue, cross-examining any witness concerning any issue, and presenting argument concerning any issue that the party failed to raise in its timely Statement of Position or Responsive Statement of Position(s) or to place in dispute in timely response to another party's Statement of Position or response, except that no party will be precluded from contesting or presenting evidence relevant to the Board's statutory jurisdiction to process the petition. Nor shall any party be precluded, on the grounds that a voter's eligibility or inclusion was not contested at the pre-election hearing, from challenging the eligibility of any voter during the election. If a party contends that the proposed unit is not appropriate in its Statement of Position but fails to specify the classifications, locations, or other employee groupings that must be added to or excluded from the proposed unit to make it an appropriate unit, the party shall also be precluded from raising any issue as to the appropriateness of the unit, presenting any evidence relating to the appropriateness of the unit, cross examining any witness concerning the appropriateness of the unit, and presenting argument concerning the appropriateness of the unit. As set forth in §102.66(d) of the Board's rules, if the employer fails to timely furnish the lists of employees, the employer will be precluded from contesting the appropriateness of the proposed unit at any time and from contesting the eligibility or inclusion of any individuals at the pre-election hearing, including by presenting evidence or argument, or by cross-examination of witnesses.

Conduct of Hearing: If held, the hearing is usually open to the public and will be conducted by a hearing officer of the NLRB. Any party has the right to appear at any hearing in person, by counsel, or by other representative, to call, examine, and cross-examine witnesses, and to introduce into the record evidence of the significant facts that support the party's contentions and are relevant to the existence of a question of representation. The hearing officer also has the power to call, examine, and cross-examine witnesses and to introduce into the record documentary and other evidence. Witnesses will be examined orally under oath. The rules of evidence prevailing in courts of law or equity shall not be controlling. Parties appearing at any hearing who have or whose witnesses have disabilities falling within the provisions of Section 504 of the Rehabilitation Act of 1973, as amended, and 29 C.F.R. 100.503, and who in order to participate in this hearing need appropriate auxiliary aids, as defined in 29 C.F.R. 100.503, should notify the regional director as soon as possible and request the necessary assistance.

Official Record: An official reporter will make the only official transcript of the proceedings and all citations in briefs or arguments must refer to the official record. (Copies of exhibits should be supplied to the hearing officer and other parties at the time the exhibit is offered in evidence.) All statements made at the hearing will be recorded by the official reporter while the hearing is on the record. If a party wishes to make off-the-record remarks, requests to make such remarks should be directed to the hearing officer and not to the official reporter. After the close of the hearing, any request for corrections to the record, either by stipulation or motion, should be forwarded to the regional director.

Motions and Objections: All motions must be in writing unless stated orally on the record at the hearing and must briefly state the relief sought and the grounds for the motion. A copy of any motion must be served immediately on the other parties to the proceeding. Motions made during the hearing are filed with the hearing officer. All other motions are filed with the regional director, except that motions made after the transfer of the record to the Board are filed with the Board. If not E-Filed, an original and two copies of written motions shall be filed. Statements of reasons in support of motions or objections should be as concise as possible. Objections shall not be deemed waived by further participation in the hearing. On appropriate request, objections may be permitted to stand to an entire line of questioning. Automatic exceptions will be allowed to all adverse rulings.

Election Details: Prior to the close of the hearing the hearing officer will: (1) solicit the parties' positions (but will not permit litigation) on the type, date(s), time(s), and location(s) of the election and the eligibility period; (2) solicit the name, address, email address, facsimile number, and phone number of the employer's on-site representative to whom the regional director should transmit the Notice of Election if an election is directed; (3) inform the parties that the regional director will issue a decision as soon as practicable and will immediately transmit the document to the parties and their designated representatives by email, facsimile, or by overnight mail (if neither an email address nor facsimile number was provided); and (4) inform the parties of their obligations if the director directs an election and of the time for complying with those obligations.

Oral Argument and Briefs: Upon request, any party is entitled to a reasonable period at the close of the hearing for oral argument, which will be included in the official transcript of the hearing. At any time before the close of the hearing, any party may file a memorandum addressing relevant issues or points of law. Post-hearing briefs shall be due within 5 business days of the close of the hearing. The hearing officer may allow up to 10 additional business days for such briefs prior to the close of hearing and for good cause. If filed, copies of the memorandum or brief shall be served on all other parties to the proceeding and a statement of such service shall be filed with the memorandum or brief. No reply brief may be filed except upon special leave of the regional director. Briefs including electronic documents, filed with the Regional Director must be formatted as double-spaced in an 8½ by 11 inch format and must be e-filed through the Board's website, www.nlr.gov.

Regional Director Decision - After the hearing, the regional director issues a decision directing an election, dismissing the petition or reopening the hearing. A request for review of the regional director's pre-election decision may be filed with the Board at any time after issuance of the decision until 10 business days after a final disposition of the proceeding by the regional director. Accordingly, a party need not file a request for review before the election in order to preserve its right to contest that decision after the election. Instead, a party can wait to see whether the election results have mooted the basis of an appeal. The Board will grant a request for review only where compelling reasons exist therefor.

Voter List – The employer must provide to the regional director and the parties named in the election agreement or direction of election a list of the full names, work locations, shifts, job classifications, and contact information (including home addresses, available personal email addresses, and available home and personal cellular ("cell") telephone numbers) of all eligible voters. (In construction industry elections, unless the parties stipulate to the contrary, also eligible to vote are all employees in the unit who either (1) were employed a total of 30 working days or more within the 12 months preceding the election eligibility date or (2) had some employment in the 12 months preceding the election eligibility date and were employed 45 working days or more within the 24 months immediately preceding the election eligibility date. However, employees meeting either of those criteria who were terminated for cause or who quit voluntarily prior to the completion of the last job for which they were employed, are not eligible.) The employer must also include in a separate section of the voter list the same information for those individuals whom the parties have agreed should be permitted to vote subject to challenge or those individuals who, according to the direction of election, will be permitted to vote subject to challenge. The list of names must be alphabetized (overall or by department) and be in the same Microsoft Word file (or Microsoft Word compatible file) format as the initial lists provided with the Statement of Position form unless the parties agree to a different format or the employer certifies that it does not possess the capacity to produce the list in the required form. When feasible, the list must be filed electronically with the regional director and served electronically on the other parties named in the agreement or direction. To be timely filed and served, the voter list must be received by the regional director and the parties named in the agreement or direction respectively within 2 business days after the approval of the agreement or issuance of the direction of elections unless a longer time is specified in the agreement or direction. A certificate of service on all parties must be filed with the regional director when the voter list is filed. The employer's failure to file or serve the list within the specified time or in proper format shall be grounds for setting aside the election whenever proper and timely objections are filed. The parties shall not use the list for purposes other than the representation proceeding, Board proceedings arising from it, and related matters.

Waiver of Time to Use Voter List – Under existing NLRB practice, an election is not ordinarily scheduled for a date earlier than 10 calendar days after the date when the employer must file the voter list with the Regional Office. However, the parties entitled to receive the voter list may waive all or part of the 10-day period by executing Form NLRB-4483. A waiver will not be effective unless all parties who are entitled to the list agree to waive the same number of days.

Election – Information about the election, requirements to post and distribute the Notice of Election, and possible proceedings after the election is available from the Regional Office and will be provided to the parties when the Notice of Election is sent to the parties.

Withdrawal or Dismissal – If it is determined that the NLRB does not have jurisdiction or that other criteria for proceeding to an election are not met, the petitioner is offered an opportunity to withdraw the petition. If the petitioner does not withdraw the petition, the regional director will dismiss the petition and advise the petitioner of the reason for the dismissal and of the right to appeal to the Board.

Completing and Filing this Form: The Notice of Hearing indicates which parties are responsible for completing the form. If you are required to complete the form, you must have it signed by an authorized representative and file a completed copy (including all attachments) with the RD and serve copies on all parties named in the petition by the date and time established for its submission. If more space is needed for your answers, additional pages may be attached. If you have questions about this form or would like assistance in filling out this form, please contact the Board agent assigned to handle this case. **You must EFile your Statement of Position at www.nlrb.gov, but unlike other e-Filed documents, it will *not* be timely if filed on the due date but after noon in the time zone of the Region where the petition was filed.**

Note: Non-employer parties who complete this Statement of Position are NOT required to complete items 8f and 8g of the form, or to provide a commerce questionnaire or the lists described in item 7.

Required Lists: The employer's Statement of Position must include a list of the full names, work locations, shifts, and job classifications of all individuals in the proposed unit as of the payroll period preceding the filing of the petition who remain employed at the time of filing. If the employer contends that the proposed unit is inappropriate, the employer must separately list the full names, work locations, shifts and job classifications of all individuals that it contends must be added to the proposed unit to make it an appropriate unit. The employer must also indicate those individuals, if any, whom it believes must be excluded from the proposed unit to make it an appropriate unit. These lists must be alphabetized (overall or by department). Unless the employer certifies that it does not possess the capacity to produce the lists in the required form, the lists must be in a table in a Microsoft Word file (.doc or .docx) or a file that is compatible with Microsoft Word, the first column of the table must begin with each employee's last name, and the font size of the list must be the equivalent of Times New Roman 10 or larger. That font does not need to be used but the font must be that size or larger. A sample, optional form for the list is provided on the NLRB website at [www.nlrb.gov/sites/default/files/attachments/basic-page/node-4559/Optional Forms for Voter List.docx](http://www.nlrb.gov/sites/default/files/attachments/basic-page/node-4559/Optional%20Forms%20for%20Voter%20List.docx).

Consequences of Failure to Supply Information: Failure to supply the information requested by this form may preclude you from litigating issues under 102.66(d) of the Board's Rules and Regulations. Section 102.66(d) provides as follows:

A party shall be precluded from raising any issue, presenting any evidence relating to any issue, cross-examining any witness concerning any issue, and presenting argument concerning any issue that the party failed to raise in its timely Statement of Position or to place in dispute in response to another party's Statement of Position or response, except that no party shall be precluded from contesting or presenting evidence relevant to the Board's statutory jurisdiction to process the petition. Nor shall any party be precluded, on the grounds that a voter's eligibility or inclusion was not contested at the pre-election hearing, from challenging the eligibility of any voter during the election. If a party contends that the proposed unit is not appropriate in its Statement of Position but fails to specify the classifications, locations, or other employee groupings that must be added to or excluded from the proposed unit to make it an appropriate unit, the party shall also be precluded from raising any issue as to the appropriateness of the unit, presenting any evidence relating to the appropriateness of the unit, cross-examining any witness concerning the appropriateness of the unit, and presenting argument concerning the appropriateness of the unit. If the employer fails to timely furnish the lists of employees described in §§102.63(b)(1)(iii), (b)(2)(iii), or (b)(3)(iii), the employer shall be precluded from contesting the appropriateness of the proposed unit at any time and from contesting the eligibility or inclusion of any individuals at the pre-election hearing, including by presenting evidence or argument, or by cross-examination of witnesses.

REVIEW THE FOLLOWING IMPORTANT INFORMATION BEFORE FILLING OUT A RESPONSIVE STATEMENT OF POSITION FORM

Completing and Filing this Form: For **RC and RD petitions**, the Petitioner is required to complete this form in response to each timely filed and served Statement of Position filed by another party. For **RM petitions**, the Employer-Petitioner must complete a Responsive Statement of Position form and submit the list described below. In accordance with Section 102.63(b) of the Board's Rules, if you are required to complete the form, you must have it signed by an authorized representative, and file a completed copy with any necessary attachments, with this office and serve it on all parties named in the petition responding to the issues raised in another party's Statement of Position, such that it is received no later than noon three business days before the date of the hearing. A separate form must be completed for each timely filed and properly served Statement of Position you receive. If more space is needed for your answers, additional pages may be attached. If you have questions about this form or would like assistance in filling out this form, please contact the Board agent assigned to handle this case. **You must E-File your Responsive Statement of Position at www.NLRB.gov, but unlike other e-Filed documents, it will *not* be timely if filed on the due date but after noon in the time zone of the Region where the petition was filed. Note that if you are completing this form as a PDF downloaded from www.NLRB.gov, the form will lock upon signature and no further editing may be made.**

Required List: In addition to responding to the issues raised in another party's Statement of Position, if any, the Employer-Petitioner in an RM case is required to file and serve on the parties a list of the full names, work locations, shifts, and job classifications of all individuals in the proposed unit as of the payroll period preceding the filing of the petition who remain employed at the time of filing. This list must be alphabetized (overall or by department). Unless the employer certifies that it does not possess the capacity to produce the list in the required form, the list must be in a table in a Microsoft Word file (.doc or .docx) or a file that is compatible with Microsoft Word, the first column of the table must begin with each employee's last name, and the font size of the list must be the equivalent of Times New Roman 10 or larger. That font does not need to be used but the font must be that size or larger. A sample, optional form for the list is provided on the NLRB website at [www.nlr.gov/sites/default/files/attachments/basic-page/node-4559/Optional Forms for Voter List.docx](http://www.nlr.gov/sites/default/files/attachments/basic-page/node-4559/Optional%20Forms%20for%20Voter%20List.docx)

Consequences of Failure to Submit a Responsive Statement of Position: Failure to supply the information requested by this form may preclude you from litigating issues under 102.66(d) of the Board's Rules and Regulations. Section 102.66(d) provides as follows:

A party shall be precluded from raising any issue, presenting any evidence relating to any issue, cross-examining any witness concerning any issue, and presenting argument concerning any issue that the party failed to raise in its timely Statement of Position or to place in dispute in response to another party's Statement of Position or response, except that no party shall be precluded from contesting or presenting evidence relevant to the Board's statutory jurisdiction to process the petition. Nor shall any party be precluded, on the grounds that a voter's eligibility or inclusion was not contested at the pre-election hearing, from challenging the eligibility of any voter during the election. If a party contends that the proposed unit is not appropriate in its Statement of Position but fails to specify the classifications, locations, or other employee groupings that must be added to or excluded from the proposed unit to make it an appropriate unit, the party shall also be precluded from raising any issue as to the appropriateness of the unit, presenting any evidence relating to the appropriateness of the unit, cross-examining any witness concerning the appropriateness of the unit, and presenting argument concerning the appropriateness of the unit. If the employer fails to timely furnish the lists of employees described in §§102.63(b)(1)(iii), (b)(2)(iii), or (b)(3)(iii), the employer shall be precluded from contesting the appropriateness of the proposed unit at any time and from contesting the eligibility or inclusion of any individuals at the pre-election hearing, including by presenting evidence or argument, or by cross-examination of witnesses.

Re: Starbucks Corporation
Case 05-RC-289221

Dear Mr. Areman:

The enclosed petition that you filed with the National Labor Relations Board (NLRB) has been assigned the above case number. This letter tells you how to contact the Board agent who will be handling this matter; explains your obligation to provide the originals of the showing of interest and the requirement that you complete and serve a Responsive Statement of Position form in response to each timely filed and served Statement(s) of Position; notifies you of a hearing; describes the employer's obligation to post and distribute a Notice of Petition for Election, complete a Statement of Position and provide a voter list; requests that you provide certain information; notifies you of your right to be represented; and discusses some of our procedures including how to submit documents to the NLRB.

Investigator: This petition will be investigated by Field Examiner Cameron Myers whose telephone number is (410) 962-2737. The Board agent will contact you shortly to discuss processing the petition. If you have any questions, please do not hesitate to call the Board agent. The Board agent may also contact you and the other party or parties to schedule a conference meeting or telephonic or video conference for some time before the close of business the day following receipt of the final Responsive Statement(s) of Position. This will give the parties sufficient time to determine if any issues can be resolved prior to hearing or if a hearing is necessary. If the agent is not available, you may contact Supervisory Field Attorney Patrick J. Cullen whose telephone number is (410) 962-2916. If appropriate, the NLRB attempts to schedule an election either by agreement of the parties or by holding a hearing and then directing an election.

Showing of Interest: If the Showing of Interest you provided in support of your petition was submitted electronically or by fax, the original documents which constitute the Showing of Interest containing handwritten signatures must be delivered to the Regional office within 2

business days. If the originals are not received within that time the Region will dismiss your petition.

Notice of Hearing: Enclosed is a Notice of Representation Hearing to be conducted at **9:00 a.m. on Thursday, February 10, 2022**, via **VIDEOCONFERENCE**, if the parties do not voluntarily agree to an election. If a hearing is necessary, the hearing will run on consecutive days until concluded unless the regional director concludes that extraordinary circumstances warrant otherwise. Before the hearing begins, we will continue to explore potential areas of agreement with the parties in order to reach an election agreement and to eliminate or limit the costs associated with formal hearings.

Upon request of a party showing good cause, the regional director may postpone the hearing. A party desiring a postponement should make the request to the regional director in writing, set forth in detail the grounds for the request, and include the positions of the other parties regarding the postponement. E-Filing the request is required. A copy of the request must be served simultaneously on all the other parties, and that fact must be noted in the request.

Posting and Distribution of Notice: The Employer must post the enclosed Notice of Petition for Election by **January 28, 2022**, in conspicuous places, including all places where notices to employees are customarily posted. If it customarily communicates electronically with its employees in the petitioned-for unit, it must also distribute the notice electronically to them. The Employer must maintain the posting until the petition is dismissed or withdrawn or this notice is replaced by the Notice of Election. Failure to post or distribute the notice may be grounds for setting aside the election if proper and timely objections are filed.

Statement of Position: In accordance with Section 102.63(b) of the Board's Rules, the Employer is required to complete the enclosed Statement of Position form, have it signed by an authorized representative, and file a completed copy with any necessary attachments, with this office and serve it on all parties named in the petition by **noon Eastern Time on February 2, 2022**. The Statement of Position must include a list of the full names, work locations, shifts, and job classifications of all individuals in the proposed unit as of the payroll period preceding the filing of the petition who remain employed at the time of filing. If the Employer contends that the proposed unit is inappropriate, it must separately list the full names, work locations, shifts and job classifications of all individuals that it contends must be added to the proposed unit to make it an appropriate unit. The Employer must also indicate those individuals, if any, whom it believes must be excluded from the proposed unit to make it an appropriate unit.

Required Responsive Statement of Position (RSOP): In accordance with Section 102.63(b) of the Board's Rules, following timely filing and service of a Statement of Position, the petitioner is required to complete the enclosed Responsive Statement of Position form addressing issues raised in any Statement(s) of Position. The petitioner must file a complete, signed RSOP in response to all other parties' timely filed and served Statement of Position, with all required attachments, with this office and serve it on all parties named in the petition such that it is received by them by **noon Eastern Time on February 7, 2022**. This form solicits information that will facilitate entry into election agreements or streamline the pre-election hearing if the parties are unable to enter into an election agreement. **This form must be e-Filed,**

but unlike other e-Filed documents, will not be timely if filed on the due date but after noon Eastern Time. If you have questions about this form or would like assistance in filling out this form, please contact the Board agent named above.

Failure to Supply Information: Failure to supply the information requested by the RSOP form may preclude you from litigating issues under Section 102.66(d) of the Board's Rules and Regulations. Section 102.66(d) provides as follows:

A party shall be precluded from raising any issue, presenting any evidence relating to any issue, cross-examining any witness concerning any issue, and presenting argument concerning any issue that the party failed to raise in its timely Statement of Position or to place in dispute in response to another party's Statement of Position or response, except that no party shall be precluded from contesting or presenting evidence relevant to the Board's statutory jurisdiction to process the petition. Nor shall any party be precluded, on the grounds that a voter's eligibility or inclusion was not contested at the pre-election hearing, from challenging the eligibility of any voter during the election. If a party contends that the proposed unit is not appropriate in its Statement of Position but fails to specify the classifications, locations, or other employee groupings that must be added to or excluded from the proposed unit to make it an appropriate unit, the party shall also be precluded from raising any issue as to the appropriateness of the unit, presenting any evidence relating to the appropriateness of the unit, cross-examining any witness concerning the appropriateness of the unit, and presenting argument concerning the appropriateness of the unit. If the employer fails to timely furnish the lists of employees described in §§ 102.63(b)(1)(iii), (b)(2)(iii), or (b)(3)(iii), the employer shall be precluded from contesting the appropriateness of the proposed unit at any time and from contesting the eligibility or inclusion of any individuals at the pre-election hearing, including by presenting evidence or argument, or by cross-examination of witnesses.

Voter List: If an election is held in this matter, the Employer must transmit to this office and to the other parties to the election, an alphabetized list of the full names and addresses of all eligible voters, including their shifts, job classifications, work locations, and other contact information including available personal email addresses and available personal home and cellular telephone numbers. Usually, the list must be furnished within 2 business days of the issuance of the Decision and Direction of Election or approval of an election agreement. The list must be electronically filed with the Region and served electronically on the other parties. To guard against potential abuse, this list may not be used for purposes other than the representation proceeding, NLRB proceedings arising from it or other related matters.

Under existing NLRB practice, an election is not ordinarily scheduled for a date earlier than 10 days after the date when the Employer must file the voter list with the Regional Office. However, a petitioner and/or union entitled to receive the voter list may waive all or part of the 10-day period by executing Form NLRB-4483, which is available on the NLRB's website or

from an NLRB office. A waiver will not be effective unless all parties who are entitled to the voter list agree to waive the same number of days.

Information Needed Now: Please submit to this office, as soon as possible, the following information needed to handle this matter:

- (a) The correct name of the Union as stated in its constitution or bylaws.
- (b) A copy of any existing or recently expired collective-bargaining agreements, and any amendments or extensions, or any recognition agreements covering any employees in the petitioned-for unit.
- (c) If potential voters will need notices or ballots translated into a language other than English, the names of those languages and dialects, if any.
- (d) The name and contact information for any other labor organization (union) claiming to represent or have an interest in any of the employees in the petitioned-for unit and for any employer who may be a joint employer of the employees in the proposed unit. Failure to disclose the existence of an interested party may delay the processing of the petition.

Right to Representation: You have the right to be represented by an attorney or other representative in any proceeding before the NLRB. In view of our policy of processing these cases expeditiously, if you wish to be represented, you should obtain representation promptly. Your representative must notify us in writing of this fact as soon as possible by completing Form NLRB-4701, Notice of Appearance. This form is available on our website, www.nlr.gov, or from an NLRB office upon your request.

If someone contacts you about representing you in this case, please be assured that no organization or person seeking your business has any “inside knowledge” or favored relationship with the NLRB. Their knowledge regarding this matter was obtained only through access to information that must be made available to any member of the public under the Freedom of Information Act.

Procedures: Pursuant to Section 102.5 of the Board’s Rules and Regulations, parties must submit all documentary evidence, including statements of position, exhibits, sworn statements, and/or other evidence, by electronically submitting (E-Filing) them through the Agency’s web site (www.nlr.gov). You must e-file all documents electronically or provide a written statement explaining why electronic submission is not possible or feasible. Failure to comply with Section 102.5 will result in rejection of your submission. The Region will make its determinations solely based on the documents and evidence properly submitted. All evidence submitted electronically should be in the form in which it is normally used and maintained in the course of business (i.e., native format). Where evidence submitted electronically is not in native format, it should be submitted in a manner that retains the essential functionality of the native format (i.e., in a machine-readable and searchable electronic format). If you have questions about the submission of evidence or expect to deliver a large quantity of electronic records, please promptly contact the Board agent investigating the petition.

Information about the NLRB and our customer service standards is available on our website, www.nlr.gov, or from an NLRB office upon your request. We can provide assistance for persons with limited English proficiency or disability. Please let us know if you or any of your witnesses would like such assistance.

Very truly yours,

National Labor Relations Board

NOTICE OF PETITION FOR ELECTION

This notice is to inform employees that Mid-Atlantic Regional Joint Board, Workers United has filed a petition with the National Labor Relations Board (NLRB), a Federal agency, in Case 05-RC-289221 seeking an election to become certified as the representative of the employees of Starbucks Corporation in the unit set forth below:

Included: All full-time and regular part-time Baristas, Shift Supervisors, Asst. Store Managers
Excluded: Store Managers, office clericals, guards and supervisors as defined by the Act.

This notice also provides you with information about your basic rights under the National Labor Relations Act, the processing of the petition, and rules to keep NLRB elections fair and honest.

YOU HAVE THE RIGHT under Federal Law

- To self-organization
- To form, join, or assist labor organizations
- To bargain collectively through representatives of your own choosing
- To act together for the purposes of collective bargaining or other mutual aid or protection
- To refuse to do any or all of these things unless the union and employer, in a state where such agreements are permitted, enter into a lawful union-security agreement requiring employees to pay periodic dues and initiation fees. Nonmembers who inform the union that they object to the use of their payments for nonrepresentational purposes may be required to pay only their share of the union's costs of representational activities (such as collective bargaining, contract administration, and grievance adjustments).

PROCESSING THIS PETITION

Elections do not necessarily occur in all cases after a petition is filed. **NO FINAL DECISIONS HAVE BEEN MADE YET** regarding the appropriateness of the proposed unit or whether an election will be held in this matter. If appropriate, the NLRB will first see if the parties will enter into an election agreement that specifies the method, date, time, and location of an election and the unit of employees eligible to vote. If the parties do not enter into an election agreement, usually a hearing is held to receive evidence on the appropriateness of the unit and other issues in dispute. After a hearing, an election may be directed by the NLRB, if appropriate.

IF AN ELECTION IS HELD, it will be conducted by the NLRB by secret ballot and Notices of Election will be posted before the election giving complete details for voting.

ELECTION RULES

The NLRB applies rules that are intended to keep its elections fair and honest and that result in a free choice. If agents of any party act in such a way as to interfere with your right to a free election, the election can be set aside by the NLRB. Where appropriate the NLRB provides other remedies, such as reinstatement for employees fired for exercising their rights, including backpay from the party responsible for their discharge.

The following are examples of conduct that interfere with employees' rights and may result in setting aside the election:

- Threatening loss of jobs or benefits by an employer or a union
- Promising or granting promotions, pay raises, or other benefits, to influence an employee's vote by a party capable of carrying out such promises
- An employer firing employees to discourage or encourage union activity or a union causing them to be fired to encourage union activity
- Making campaign speeches to assembled groups of employees on company time, where attendance is mandatory, within the 24-hour period before the polls for the election first open or, if the election is conducted by mail, from the time and date the ballots are scheduled to be sent out by the Region until the time and date set for their return
- Incitement by either an employer or a union of racial or religious prejudice by inflammatory appeals
- Threatening physical force or violence to employees by a union or an employer to influence their votes

Please be assured that IF AN ELECTION IS HELD, every effort will be made to protect your right to a free choice under the law. Improper conduct will not be permitted. All parties are expected to cooperate fully with the NLRB in maintaining basic principles of a fair election as required by law. The NLRB as an agency of the United States Government does not endorse any choice in the election.

For additional information about the processing of petitions, go to www.nlr.gov or contact the NLRB at (410)962-2822.

THIS IS AN OFFICIAL GOVERNMENT NOTICE AND MUST NOT BE DEFACED BY ANYONE. IT MUST REMAIN POSTED WITH ALL PAGES SIMULTANEOUSLY VISIBLE UNTIL REPLACED BY THE NOTICE OF ELECTION OR THE PETITION IS DISMISSED OR WITHDRAWN.

NATIONAL LABOR RELATIONS BOARD

**DESCRIPTION OF REPRESENTATION CASE PROCEDURES
IN CERTIFICATION AND DECERTIFICATION CASES**

The National Labor Relations Act grants employees the right to bargain collectively through representatives of their own choosing and to refrain from such activity. A party may file an RC, RD or RM petition with the National Labor Relations Board (NLRB) to conduct a secret ballot election to determine whether a representative will represent, or continue to represent, a unit of employees. An **RC** petition is generally filed by a union that desires to be certified as the bargaining representative. An **RD** petition is filed by employees who seek to remove the currently recognized union as the bargaining representative. An **RM** petition is filed by an employer who seeks an election because one or more individuals or unions have sought recognition as the bargaining representative, or based on a reasonable belief supported by objective considerations that the currently recognized union has lost its majority status. This form generally describes representation case procedures in RC, RD and RM cases, also referred to as certification and decertification cases.

Right to be Represented – Any party to a case with the NLRB has the right to be represented by an attorney or other representative in any proceeding before the NLRB. A party wishing to have a representative appear on its behalf should have the representative complete a Notice of Appearance (Form NLRB-4701), and E-File it at www.nlr.gov or forward it to the NLRB Regional Office handling the petition as soon as possible.

Filing and Service of Petition – A party filing an RC, RD or RM petition is required to serve a copy of its petition on the parties named in the petition along with this form and the Statement of Position form. The petitioner files the petition with the NLRB, together with (1) a certificate showing service of these documents on the other parties named in the petition, and (2) a showing of interest to support the petition. The showing of interest is not served on the other parties.

Notice of Hearing – After a petition in a certification or decertification case is filed with the NLRB, the NLRB reviews the petition, certificate of service, and the required showing of interest for sufficiency, assigns the petition a case number, and promptly sends letters to the parties notifying them of the Board agent who will be handling the case. In most cases, the letters include a Notice of Representation Hearing. Except in cases presenting unusually complex issues, this pre-election hearing is set for a date 14 business days (excluding weekends and federal holidays) from the date of service of the notice of hearing. Once the hearing begins, it will continue day to day until completed absent extraordinary circumstances. The Notice of Representation Hearing also sets the due date for filing and serving the Statement(s) of Position and the Responsive Statement of Position(s). Included with the Notice of Representation Hearing are the following: (1) copy of the petition, (2) this form, (3) Statement of Position for non-petitioning parties, (4) petitioner's Responsive Statement of Position, (5) Notice of Petition for Election, and (6) letter advising how to contact the Board agent who will be handling the case and discussing those documents.

Hearing Postponement: Requests to postpone the hearing are not routinely granted, but the regional director may postpone the hearing for good cause. A party wishing to request a postponement should make the request in writing and set forth in detail the grounds for the request. The request should include the positions of the other parties regarding the postponement. The request must be filed electronically ("E-Filed") on the Agency's website (www.nlr.gov) by following the instructions on the website. A copy of the request must be served simultaneously on all the other parties, and that fact must be noted in the request.

Statement of Position Form and List(s) of Employees – The Statement of Position form solicits commerce and other information that will facilitate entry into election agreements or streamline the pre-election hearing if the parties are unable to enter into an election agreement. In an **RC** or **RD** case, as part of its Statement of Position form, the employer also provides a list of the full names, work locations, shifts, and job classifications of all individuals in the proposed unit. If the employer contends that the proposed unit is not appropriate, the employer must separately list the same information for all individuals that the employer contends must be added to the proposed unit to make it an appropriate unit, and must further indicate those individuals, if any, whom it believes must be excluded from the proposed unit to make it an appropriate unit. These lists must be alphabetized (overall or by department). Unless the employer certifies that it does not possess the capacity to produce the lists in the required form, the lists must be in a table in a Microsoft Word file (.doc or .docx) or a file that is compatible with Microsoft Word, the first column of the table must begin with each employee's last name, and the font size of the list must be the equivalent of Times New Roman 10 or larger. That font does not need to be used but the font must be that size or larger. A sample, optional

form for the list is provided on the NLRB website at www.nlr.gov/sites/default/files/attachments/basic-page/node-4559/Optional Forms for Voter List.docx

Ordinarily the Statement of Position must be filed with the Regional Office and served on the other parties such that it is received by them by noon 8 business days from the issuance of the Notice of Hearing. The regional director may postpone the due date for filing and serving the Statement of Position for good cause. The Statement of Position form must be E-Filed but, unlike other E-Filed documents, will not be timely if filed on the due date but after noon in the time zone of the Region where the petition is filed. Consequences for failing to satisfy the Statement of Position requirement are discussed on the following page under the heading "Preclusion." A request to postpone the hearing will not automatically be treated as a request for an extension of the Statement of Position due date. If a party wishes to request both a postponement of the hearing and a postponement of the Statement of Position due date, the request must make that clear and must specify the reasons that postponements of both are sought.

Responsive Statement of Position – Petitioner's Responsive Statement(s) of Position solicits a response to the Statement(s) of Position filed by the other parties and further facilitates entry into election agreements or streamlines the preelection hearing. A petitioner must file a Responsive Statement of Position in response to each party's Statement of Position addressing each issue in each Statement of Position(s), if desired. In the case of an RM petition, the employer-petitioner must also provide commerce information and file and serve a list of the full names, work locations, shifts, and job classifications of all individuals in the proposed unit. Ordinarily, the Responsive Statement of Position must be electronically filed with the Regional Office and served on the other parties such that it is received by noon 3 business days prior to the hearing. The regional director may postpone the due date for filing and serving the Responsive Statement of Position for good cause. The Responsive Statement of Position form must be E-Filed but, unlike other E-Filed documents, will not be timely if filed on the due date but after noon in the time zone of the Region where the petition is filed. Consequences for failing to satisfy the Responsive Statement of Position requirement are discussed on the following page under the heading "Preclusion." A request to postpone the hearing will not automatically be treated as a request for an extension of the Responsive Statement of Position due date. If a party wishes to request both a postponement of the hearing and a Postponement of the Responsive Statement of Position due date, the request must make that clear and must specify the reasons that postponements of both are sought.

Posting and Distribution of Notice of Petition for Election – Within 5 business days after service of the notice of hearing, the employer must post the Notice of Petition for Election in conspicuous places, including all places where notices to employees are customarily posted, and must also distribute it electronically to the employees in the petitioned-for unit if the employer customarily communicates with these employees electronically. The employer must maintain the posting until the petition is dismissed or withdrawn, or the Notice of Petition for Election is replaced by the Notice of Election. The employer's failure properly to post or distribute the Notice of Petition for Election may be grounds for setting aside the election if proper and timely objections are filed.

Election Agreements – Elections can occur either by agreement of the parties or by direction of the regional director or the Board. Three types of agreements are available: (1) a Consent Election Agreement (Form NLRB-651); (2) a Stipulated Election Agreement (Form NLRB-652); and (3) a Full Consent Agreement (Form NLRB-5509). In the Consent Election Agreement and the Stipulated Election Agreement, the parties agree on an appropriate unit and the method, date, time, and place of a secret ballot election that will be conducted by an NLRB agent. In the Consent Agreement, the parties also agree that post-election matters (election objections or determinative challenged ballots) will be resolved with finality by the regional director; whereas in the Stipulated Election Agreement, the parties agree that they may request Board review of the regional director's post-election determinations. A Full Consent Agreement provides that the regional director will make final determinations regarding all pre-election and post-election issues.

Hearing Cancellation Based on Agreement of the Parties – The issuance of the Notice of Representation Hearing does not mean that the matter cannot be resolved by agreement of the parties. On the contrary, the NLRB encourages prompt voluntary adjustments and the Board agent assigned to the case will work with the parties to enter into an election agreement, so the parties can avoid the time and expense of participating in a hearing.

Hearing – A hearing will be held unless the parties enter into an election agreement approved by the regional director or the petition is dismissed or withdrawn.

Purpose of Hearing: The primary purpose of a pre-election hearing is to determine if a question of representation exists. A question of representation exists if a proper petition has been filed concerning a unit

appropriate for the purpose of collective bargaining or, in the case of a decertification petition, concerning a unit in which a labor organization has been certified or is being currently recognized by the employer as the bargaining representative.

Issues at Hearing: Issues that might be litigated at the pre-election hearing include: jurisdiction; labor organization status; bars to elections; unit appropriateness; expanding and contracting unit issues; inclusion of professional employees with nonprofessional employees; seasonal operation; potential mixed guard/non-guard unit; and eligibility formulas. At the hearing, the timely filed Statement of Position and Responsive Statement of Position(s) will be received into evidence. The hearing officer will not receive evidence concerning any issue as to which the parties have not taken adverse positions, except for evidence regarding the Board's jurisdiction over the employer and evidence concerning any issue, such as the appropriateness of the proposed unit, as to which the regional director determines that record evidence is necessary.

Preclusion: At the hearing, a party will be precluded from raising any issue, presenting any evidence relating to any issue, cross-examining any witness concerning any issue, and presenting argument concerning any issue that the party failed to raise in its timely Statement of Position or Responsive Statement of Position(s) or to place in dispute in timely response to another party's Statement of Position or response, except that no party will be precluded from contesting or presenting evidence relevant to the Board's statutory jurisdiction to process the petition. Nor shall any party be precluded, on the grounds that a voter's eligibility or inclusion was not contested at the pre-election hearing, from challenging the eligibility of any voter during the election. If a party contends that the proposed unit is not appropriate in its Statement of Position but fails to specify the classifications, locations, or other employee groupings that must be added to or excluded from the proposed unit to make it an appropriate unit, the party shall also be precluded from raising any issue as to the appropriateness of the unit, presenting any evidence relating to the appropriateness of the unit, cross examining any witness concerning the appropriateness of the unit, and presenting argument concerning the appropriateness of the unit. As set forth in §102.66(d) of the Board's rules, if the employer fails to timely furnish the lists of employees, the employer will be precluded from contesting the appropriateness of the proposed unit at any time and from contesting the eligibility or inclusion of any individuals at the pre-election hearing, including by presenting evidence or argument, or by cross-examination of witnesses.

Conduct of Hearing: If held, the hearing is usually open to the public and will be conducted by a hearing officer of the NLRB. Any party has the right to appear at any hearing in person, by counsel, or by other representative, to call, examine, and cross-examine witnesses, and to introduce into the record evidence of the significant facts that support the party's contentions and are relevant to the existence of a question of representation. The hearing officer also has the power to call, examine, and cross-examine witnesses and to introduce into the record documentary and other evidence. Witnesses will be examined orally under oath. The rules of evidence prevailing in courts of law or equity shall not be controlling. Parties appearing at any hearing who have or whose witnesses have disabilities falling within the provisions of Section 504 of the Rehabilitation Act of 1973, as amended, and 29 C.F.R. 100.503, and who in order to participate in this hearing need appropriate auxiliary aids, as defined in 29 C.F.R. 100.503, should notify the regional director as soon as possible and request the necessary assistance.

Official Record: An official reporter will make the only official transcript of the proceedings and all citations in briefs or arguments must refer to the official record. (Copies of exhibits should be supplied to the hearing officer and other parties at the time the exhibit is offered in evidence.) All statements made at the hearing will be recorded by the official reporter while the hearing is on the record. If a party wishes to make off-the-record remarks, requests to make such remarks should be directed to the hearing officer and not to the official reporter. After the close of the hearing, any request for corrections to the record, either by stipulation or motion, should be forwarded to the regional director.

Motions and Objections: All motions must be in writing unless stated orally on the record at the hearing and must briefly state the relief sought and the grounds for the motion. A copy of any motion must be served immediately on the other parties to the proceeding. Motions made during the hearing are filed with the hearing officer. All other motions are filed with the regional director, except that motions made after the transfer of the record to the Board are filed with the Board. If not E-Filed, an original and two copies of written motions shall be filed. Statements of reasons in support of motions or objections should be as concise as possible. Objections shall not be deemed waived by further participation in the hearing. On appropriate request, objections may be permitted to stand to an entire line of questioning. Automatic exceptions will be allowed to all adverse rulings.

Election Details: Prior to the close of the hearing the hearing officer will: (1) solicit the parties' positions (but will not permit litigation) on the type, date(s), time(s), and location(s) of the election and the eligibility period; (2) solicit the name, address, email address, facsimile number, and phone number of the employer's on-site representative to whom the regional director should transmit the Notice of Election if an election is directed; (3) inform the parties that the regional director will issue a decision as soon as practicable and will immediately transmit the document to the parties and their designated representatives by email, facsimile, or by overnight mail (if neither an email address nor facsimile number was provided); and (4) inform the parties of their obligations if the director directs an election and of the time for complying with those obligations.

Oral Argument and Briefs: Upon request, any party is entitled to a reasonable period at the close of the hearing for oral argument, which will be included in the official transcript of the hearing. At any time before the close of the hearing, any party may file a memorandum addressing relevant issues or points of law. Post-hearing briefs shall be due within 5 business days of the close of the hearing. The hearing officer may allow up to 10 additional business days for such briefs prior to the close of hearing and for good cause. If filed, copies of the memorandum or brief shall be served on all other parties to the proceeding and a statement of such service shall be filed with the memorandum or brief. No reply brief may be filed except upon special leave of the regional director. Briefs including electronic documents, filed with the Regional Director must be formatted as double-spaced in an 8½ by 11 inch format and must be e-filed through the Board's website, www.nlr.gov.

Regional Director Decision - After the hearing, the regional director issues a decision directing an election, dismissing the petition or reopening the hearing. A request for review of the regional director's pre-election decision may be filed with the Board at any time after issuance of the decision until 10 business days after a final disposition of the proceeding by the regional director. Accordingly, a party need not file a request for review before the election in order to preserve its right to contest that decision after the election. Instead, a party can wait to see whether the election results have mooted the basis of an appeal. The Board will grant a request for review only where compelling reasons exist therefor.

Voter List – The employer must provide to the regional director and the parties named in the election agreement or direction of election a list of the full names, work locations, shifts, job classifications, and contact information (including home addresses, available personal email addresses, and available home and personal cellular ("cell") telephone numbers) of all eligible voters. (In construction industry elections, unless the parties stipulate to the contrary, also eligible to vote are all employees in the unit who either (1) were employed a total of 30 working days or more within the 12 months preceding the election eligibility date or (2) had some employment in the 12 months preceding the election eligibility date and were employed 45 working days or more within the 24 months immediately preceding the election eligibility date. However, employees meeting either of those criteria who were terminated for cause or who quit voluntarily prior to the completion of the last job for which they were employed, are not eligible.) The employer must also include in a separate section of the voter list the same information for those individuals whom the parties have agreed should be permitted to vote subject to challenge or those individuals who, according to the direction of election, will be permitted to vote subject to challenge. The list of names must be alphabetized (overall or by department) and be in the same Microsoft Word file (or Microsoft Word compatible file) format as the initial lists provided with the Statement of Position form unless the parties agree to a different format or the employer certifies that it does not possess the capacity to produce the list in the required form. When feasible, the list must be filed electronically with the regional director and served electronically on the other parties named in the agreement or direction. To be timely filed and served, the voter list must be received by the regional director and the parties named in the agreement or direction respectively within 2 business days after the approval of the agreement or issuance of the direction of elections unless a longer time is specified in the agreement or direction. A certificate of service on all parties must be filed with the regional director when the voter list is filed. The employer's failure to file or serve the list within the specified time or in proper format shall be grounds for setting aside the election whenever proper and timely objections are filed. The parties shall not use the list for purposes other than the representation proceeding, Board proceedings arising from it, and related matters.

Waiver of Time to Use Voter List – Under existing NLRB practice, an election is not ordinarily scheduled for a date earlier than 10 calendar days after the date when the employer must file the voter list with the Regional Office. However, the parties entitled to receive the voter list may waive all or part of the 10-day period by executing Form NLRB-4483. A waiver will not be effective unless all parties who are entitled to the list agree to waive the same number of days.

Election – Information about the election, requirements to post and distribute the Notice of Election, and possible proceedings after the election is available from the Regional Office and will be provided to the parties when the Notice of Election is sent to the parties.

Withdrawal or Dismissal – If it is determined that the NLRB does not have jurisdiction or that other criteria for proceeding to an election are not met, the petitioner is offered an opportunity to withdraw the petition. If the petitioner does not withdraw the petition, the regional director will dismiss the petition and advise the petitioner of the reason for the dismissal and of the right to appeal to the Board.

A party shall be precluded from raising any issue, presenting any evidence relating to any issue, cross-examining any witness concerning any issue, and presenting argument concerning any issue that the party failed to raise in its timely Statement of Position or to place in dispute in response to another party's Statement of Position or response, except that no party shall be precluded from contesting or presenting evidence relevant to the Board's statutory jurisdiction to process the petition. Nor shall any party be precluded, on the grounds that a voter's eligibility or inclusion was not contested at the pre-election hearing, from challenging the eligibility of any voter during the election. If a party contends that the proposed unit is not appropriate in its Statement of Position but fails to specify the classifications, locations, or other employee groupings that must be added to or excluded from the proposed unit to make it an appropriate unit, the party shall also be precluded from raising any issue as to the appropriateness of the unit, presenting any evidence relating to the appropriateness of the unit, cross-examining any witness concerning the appropriateness of the unit, and presenting argument concerning the appropriateness of the unit. If the employer fails to timely furnish the lists of employees described in §§102.63(b)(1)(iii), (b)(2)(iii), or (b)(3)(iii), the employer shall be precluded from contesting the appropriateness of the proposed unit at any time and from contesting the eligibility or inclusion of any individuals at the pre-election hearing, including by presenting evidence or argument, or by cross-examination of witnesses.

The principal use of the information is to assist the National Labor Relations Board (NLRB) in processing representation and/or unfair labor practice proceedings and related proceedings or litigation. The routine uses for the information are fully set forth in the Federal Register, 71 Fed. Reg. 74942-43 (Dec. 13, 2006). The NLRB will further explain these uses upon request. Disclosure of this information to the NLRB is voluntary. REVIEW THE FOLLOWING IMPORTANT INFORMATION BEFORE FILLING OUT A RESPONSIVE STATEMENT OF POSITION FORM

Completing and Filing this Form: For **RC and RD petitions**, the Petitioner is required to complete this form in response to each timely filed and served Statement of Position filed by another party. For **RM petitions**, the Employer-Petitioner must complete a Responsive Statement of Position form and submit the list described below. In accordance with Section 102.63(b) of the Board's Rules, if you are required to complete the form, you must have it signed by an authorized representative, and file a completed copy with any necessary attachments, with this office and serve it on all parties named in the petition responding to the issues raised in another party's Statement of Position, such that it is received no later than noon three business days before the date of the hearing. A separate form must be completed for each timely filed and properly served Statement of Position you receive. If more space is needed for your answers, additional pages may be attached. If you have questions about this form or would like assistance in filling out this form, please contact the Board agent assigned to handle this case. **You must E-File your Responsive Statement of Position at www.NLRB.gov, but unlike other e-Filed documents, it will *not* be timely if filed on the due date but after noon in the time zone of the Region where the petition was filed. Note that if you are completing this form as a PDF downloaded from www.NLRB.gov, the form will lock upon signature and no further editing may be made.**

Required List: In addition to responding to the issues raised in another party's Statement of Position, if any, the Employer-Petitioner in an RM case is required to file and serve on the parties a list of the full names, work locations, shifts, and job classifications of all individuals in the proposed unit as of the payroll period preceding the filing of the petition who remain employed at the time of filing. This list must be alphabetized (overall or by department). Unless the employer certifies that it does not possess the capacity to produce the list in the required form, the list must be in a table in a Microsoft Word file (.doc or .docx) or a file that is compatible with Microsoft Word, the first column of the table must begin with each employee's last name, and the font size of the list must be the equivalent of Times New Roman 10 or larger. That font does not need to be used but the font must be that size or larger. A sample, optional form for the list is provided on the NLRB website at www.nlr.gov/sites/default/files/attachments/basic-page/node-4559/Optional Forms for Voter List.docx

Consequences of Failure to Submit a Responsive Statement of Position: Failure to supply the information requested by this form may preclude you from litigating issues under 102.66(d) of the Board's Rules and Regulations. Section 102.66(d) provides as follows:

A party shall be precluded from raising any issue, presenting any evidence relating to any issue, cross-examining any witness concerning any issue, and presenting argument concerning any issue that the party failed to raise in its timely Statement of Position or to place in dispute in response to another party's Statement of Position or response, except that no party shall be precluded from contesting or presenting evidence relevant to the Board's statutory jurisdiction to process the petition. Nor shall any party be precluded, on the grounds that a voter's eligibility or inclusion was not contested at the pre-election hearing, from challenging the eligibility of any voter during the election. If a party contends that the proposed unit is not appropriate in its Statement of Position but fails to specify the classifications, locations, or other employee groupings that must be added to or excluded from the proposed unit to make it an appropriate unit, the party shall also be precluded from raising any issue as to the appropriateness of the unit, presenting any evidence relating to the appropriateness of the unit, cross-examining any witness concerning the appropriateness of the unit, and presenting argument concerning the appropriateness of the unit. If the employer fails to timely furnish the lists of employees described in §§102.63(b)(1)(iii), (b)(2)(iii), or (b)(3)(iii), the employer shall be precluded from contesting the appropriateness of the proposed unit at any time and from contesting the eligibility or inclusion of any individuals at the pre-election hearing, including by presenting evidence or argument, or by cross-examination of witnesses.

Re: Starbucks Corporation
Case 05-RC-289221

Dear Mr. Johnson:

Enclosed is a copy of a petition that Mid-Atlantic Regional Joint Board, Workers United filed with the National Labor Relations Board (NLRB) seeking to represent certain of your employees. After a petition is filed, the employer is required to promptly take certain actions so please read this letter carefully to make sure you are aware of the employer's obligations. This letter tells you how to contact the Board agent who will be handling this matter, about the requirement to post and distribute the Notice of Petition for Election, the requirement to complete and serve a Statement of Position Form, the Petitioner's requirement to complete and serve a Responsive Statement of Position Form, a scheduled hearing in this matter, other information needed including a voter list, your right to be represented, and NLRB procedures, including how to submit documents to the NLRB.

Investigator: This petition will be investigated by Field Examiner Cameron Myers whose telephone number is (410) 962-2737. The Board agent will contact you shortly to discuss processing the petition. If you have any questions, please do not hesitate to call the Board agent. If the agent is not available, you may contact Supervisory Field Attorney Patrick J. Cullen whose telephone number is (410) 962-2916. The Board agent may also contact you and the other party or parties to schedule a conference meeting or telephonic or video conference for some time before the close of business the day following receipt of the final Responsive Statement(s) of Position. This will give the parties sufficient time to determine if any issues can be resolved prior to hearing or if a hearing is necessary. If appropriate, the NLRB attempts to schedule an election either by agreement of the parties or by holding a hearing and then directing an election.

Required Posting and Distribution of Notice: You must post the enclosed Notice of Petition for Election by **January 28, 2022** in conspicuous places, including all places where notices to employees are customarily posted. The Notice of Petition for Election must be posted so all pages are simultaneously visible. If you customarily communicate electronically with employees in the petitioned-for unit, you must also distribute the notice electronically to them. You must maintain the posting until the petition is dismissed or withdrawn or this notice is

replaced by the Notice of Election. Posting and distribution of the Notice of Petition for Election will inform the employees whose representation is at issue and the employer of their rights and obligations under the National Labor Relations Act in the representation context. Failure to post or distribute the notice may be grounds for setting aside an election if proper and timely objections are filed.

Required Statement of Position: In accordance with Section 102.63(b) of the Board's Rules, the employer is required to complete the enclosed Statement of Position form (including the attached Commerce Questionnaire), have it signed by an authorized representative, and file a completed copy (with all required attachments) with this office and serve it on all parties named in the petition such that it is received by them by **noon Eastern Time on February 02, 2022**. This form solicits information that will facilitate entry into election agreements or streamline the pre-election hearing if the parties are unable to enter into an election agreement. **This form must be e-Filed, but unlike other e-Filed documents, will *not* be timely if filed on the due date but after noon February 02, 2022.** If you have questions about this form or would like assistance in filling out this form, please contact the Board agent named above.

List(s) of Employees: The employer's Statement of Position must include a list of the full names, work locations, shifts, and job classifications of all individuals in the proposed unit as of the payroll period preceding the filing of the petition who remain employed at the time of filing. If the employer contends that the proposed unit is inappropriate, the employer must separately list the full names, work locations, shifts and job classifications of all individuals that it contends must be added to the proposed unit to make it an appropriate unit. The employer must also indicate those individuals, if any, whom it believes must be excluded from the proposed unit to make it an appropriate unit. These lists must be alphabetized (overall or by department). Unless the employer certifies that it does not possess the capacity to produce the lists in the required form, the lists must be in a table in a Microsoft Word file (.doc or .docx) or a file that is compatible with Microsoft Word, the first column of the table must begin with each employee's last name, and the font size of the list must be the equivalent of Times New Roman 10 or larger. That font does not need to be used but the font must be that size or larger. A sample, optional form for the list is provided on the NLRB website at [www.nlrb.gov/sites/default/files/attachments/basic-page/node-4559/Optional Forms for Voter List.docx](http://www.nlrb.gov/sites/default/files/attachments/basic-page/node-4559/Optional%20Forms%20for%20Voter%20List.docx)

Failure to Supply Information: Failure to supply the information requested by this form may preclude you from litigating issues under Section 102.66(d) of the Board's Rules and Regulations. Section 102.66(d) provides as follows:

A party shall be precluded from raising any issue, presenting any evidence relating to any issue, cross-examining any witness concerning any issue, and presenting argument concerning any issue that the party failed to raise in its timely Statement of Position or to place in dispute in response to another party's Statement of Position or response, except that no party shall be precluded from contesting or presenting evidence relevant to the Board's statutory jurisdiction to process the petition. Nor shall any party be precluded, on the grounds that a

voter's eligibility or inclusion was not contested at the pre-election hearing, from challenging the eligibility of any voter during the election. If a party contends that the proposed unit is not appropriate in its Statement of Position but fails to specify the classifications, locations, or other employee groupings that must be added to or excluded from the proposed unit to make it an appropriate unit, the party shall also be precluded from raising any issue as to the appropriateness of the unit, presenting any evidence relating to the appropriateness of the unit, cross-examining any witness concerning the appropriateness of the unit, and presenting argument concerning the appropriateness of the unit. If the employer fails to timely furnish the lists of employees described in §§ 102.63(b)(1)(iii), (b)(2)(iii), or (b)(3)(iii), the employer shall be precluded from contesting the appropriateness of the proposed unit at any time and from contesting the eligibility or inclusion of any individuals at the pre-election hearing, including by presenting evidence or argument, or by cross-examination of witnesses.

Responsive Statement of Position: In accordance with Section 102.63(b) of the Board's Rules, following timely filing and service of an employer's Statement of Position, the petitioner is required to complete the enclosed Responsive Statement of Position form, have it signed by an authorized representative, and file a completed copy with any necessary attachments, with this office and serve it on all parties named in the petition responding to the issues raised in the employer's Statement of Position, such that it is received no later than **noon Eastern Time on February 07, 2022.**

Notice of Hearing: Enclosed is a Notice of Representation Hearing to be conducted at **9:00 a.m. on Thursday, February 10, 2022** via **VIDEOCONFERENCE**, if the parties do not voluntarily agree to an election. If a hearing is necessary, the hearing will run on consecutive days until concluded unless the regional director concludes that extraordinary circumstances warrant otherwise. Before the hearing begins, the NLRB will continue to explore potential areas of agreement with the parties in order to reach an election agreement and to eliminate or limit the costs associated with formal hearings.

Upon request of a party showing good cause, the regional director may postpone the hearing. A party desiring a postponement should make the request to the regional director in writing, set forth in detail the grounds for the request, and include the positions of the other parties regarding the postponement. E-Filing the request is required. A copy of the request must be served simultaneously on all the other parties, and that fact must be noted in the request.

Other Information Needed Now: Please submit to this office, as soon as possible, the following information needed to handle this matter:

- (a) A copy of any existing or recently expired collective-bargaining agreements, and any amendments or extensions, or any recognition agreements covering any of your employees in the unit involved in the petition (the petitioned-for unit);

- (b) The name and contact information for any other labor organization (union) claiming to represent any of the employees in the petitioned-for unit;
- (c) If potential voters will need notices or ballots translated into a language other than English, the names of those languages and dialects, if any.
- (d) If you desire a formal check of the showing of interest, you must provide an alphabetized payroll list of employees in the petitioned-for unit, with their job classifications, for the payroll period immediately before the date of this petition. Such a payroll list should be submitted as early as possible prior to the hearing. Ordinarily a formal check of the showing of interest is not performed using the employee list submitted as part of the Statement of Position.

Voter List: If an election is held in this matter, the employer must transmit to this office and to the other parties to the election, an alphabetized list of the full names, work locations, shifts, job classifications, and contact information (including home addresses, available personal email addresses, and available home and personal cellular telephone numbers) of eligible voters. Usually, the list must be furnished within 2 business days of the issuance of the Decision and Direction of Election or approval of an election agreement. I am advising you of this requirement now, so that you will have ample time to prepare this list. The list must be electronically filed with the Region and served electronically on the other parties. To guard against potential abuse, this list may not be used for purposes other than the representation proceeding, NLRB proceedings arising from it or other related matters.

Right to Representation: You have the right to be represented by an attorney or other representative in any proceeding before us. If you choose to be represented, your representative must notify us in writing of this fact as soon as possible by completing Form NLRB-4701, Notice of Appearance. This form is available on our website, www.nlr.gov, or at the Regional office upon your request.

If someone contacts you about representing you in this case, please be assured that no organization or person seeking your business has any “inside knowledge” or favored relationship with the NLRB. Their knowledge regarding this matter was only obtained through access to information that must be made available to any member of the public under the Freedom of Information Act.

Procedures: Pursuant to Section 102.5 of the Board’s Rules and Regulations, parties must submit all documentary evidence, including statements of position, exhibits, sworn statements, and/or other evidence, by electronically submitting (E-Filing) them through the Agency’s web site (www.nlr.gov). You must e-file all documents electronically or provide a written statement explaining why electronic submission is not possible or feasible. Failure to comply with Section 102.5 will result in rejection of your submission. The Region will make its determinations solely based on the documents and evidence properly submitted. All evidence submitted electronically should be in the form in which it is normally used and maintained in the course of business (i.e., native format). Where evidence submitted electronically is not in native format, it should be submitted in a manner that retains the essential functionality of the native

format (i.e., in a machine-readable and searchable electronic format). If you have questions about the submission of evidence or expect to deliver a large quantity of electronic records, please promptly contact the Board agent investigating the petition.

Information about the NLRB and our customer service standards is available on our website, www.nlr.gov, or from an NLRB office upon your request. We can provide assistance for persons with limited English proficiency or disability. Please let us know if you or any of your witnesses would like such assistance.

Very truly yours,

National Labor Relations Board

NOTICE OF PETITION FOR ELECTION

This notice is to inform employees that Mid-Atlantic Regional Joint Board, Workers United has filed a petition with the National Labor Relations Board (NLRB), a Federal agency, in Case 05-RC-289221 seeking an election to become certified as the representative of the employees of Starbucks Corporation in the unit set forth below:

Included: All full-time and regular part-time Baristas, Shift Supervisors, Asst. Store Managers
Excluded: Store Managers, office clericals, guards and supervisors as defined by the Act.

This notice also provides you with information about your basic rights under the National Labor Relations Act, the processing of the petition, and rules to keep NLRB elections fair and honest.

YOU HAVE THE RIGHT under Federal Law

- To self-organization
- To form, join, or assist labor organizations
- To bargain collectively through representatives of your own choosing
- To act together for the purposes of collective bargaining or other mutual aid or protection
- To refuse to do any or all of these things unless the union and employer, in a state where such agreements are permitted, enter into a lawful union-security agreement requiring employees to pay periodic dues and initiation fees. Nonmembers who inform the union that they object to the use of their payments for nonrepresentational purposes may be required to pay only their share of the union's costs of representational activities (such as collective bargaining, contract administration, and grievance adjustments).

PROCESSING THIS PETITION

Elections do not necessarily occur in all cases after a petition is filed. **NO FINAL DECISIONS HAVE BEEN MADE YET** regarding the appropriateness of the proposed unit or whether an election will be held in this matter. If appropriate, the NLRB will first see if the parties will enter into an election agreement that specifies the method, date, time, and location of an election and the unit of employees eligible to vote. If the parties do not enter into an election agreement, usually a hearing is held to receive evidence on the appropriateness of the unit and other issues in dispute. After a hearing, an election may be directed by the NLRB, if appropriate.

IF AN ELECTION IS HELD, it will be conducted by the NLRB by secret ballot and Notices of Election will be posted before the election giving complete details for voting.

ELECTION RULES

The NLRB applies rules that are intended to keep its elections fair and honest and that result in a free choice. If agents of any party act in such a way as to interfere with your right to a free election, the election can be set aside by the NLRB. Where appropriate the NLRB provides other remedies, such as reinstatement for employees fired for exercising their rights, including backpay from the party responsible for their discharge.

The following are examples of conduct that interfere with employees' rights and may result in setting aside the election:

- Threatening loss of jobs or benefits by an employer or a union
- Promising or granting promotions, pay raises, or other benefits, to influence an employee's vote by a party capable of carrying out such promises
- An employer firing employees to discourage or encourage union activity or a union causing them to be fired to encourage union activity
- Making campaign speeches to assembled groups of employees on company time, where attendance is mandatory, within the 24-hour period before the polls for the election first open or, if the election is conducted by mail, from the time and date the ballots are scheduled to be sent out by the Region until the time and date set for their return
- Incitement by either an employer or a union of racial or religious prejudice by inflammatory appeals
- Threatening physical force or violence to employees by a union or an employer to influence their votes

Please be assured that IF AN ELECTION IS HELD, every effort will be made to protect your right to a free choice under the law. Improper conduct will not be permitted. All parties are expected to cooperate fully with the NLRB in maintaining basic principles of a fair election as required by law. The NLRB as an agency of the United States Government does not endorse any choice in the election.

For additional information about the processing of petitions, go to www.nlr.gov or contact the NLRB at (410)962-2822.

THIS IS AN OFFICIAL GOVERNMENT NOTICE AND MUST NOT BE DEFACED BY ANYONE. IT MUST REMAIN POSTED WITH ALL PAGES SIMULTANEOUSLY VISIBLE UNTIL REPLACED BY THE NOTICE OF ELECTION OR THE PETITION IS DISMISSED OR WITHDRAWN.

NATIONAL LABOR RELATIONS BOARD

**DESCRIPTION OF REPRESENTATION CASE PROCEDURES
IN CERTIFICATION AND DECERTIFICATION CASES**

The National Labor Relations Act grants employees the right to bargain collectively through representatives of their own choosing and to refrain from such activity. A party may file an RC, RD or RM petition with the National Labor Relations Board (NLRB) to conduct a secret ballot election to determine whether a representative will represent, or continue to represent, a unit of employees. An **RC** petition is generally filed by a union that desires to be certified as the bargaining representative. An **RD** petition is filed by employees who seek to remove the currently recognized union as the bargaining representative. An **RM** petition is filed by an employer who seeks an election because one or more individuals or unions have sought recognition as the bargaining representative, or based on a reasonable belief supported by objective considerations that the currently recognized union has lost its majority status. This form generally describes representation case procedures in RC, RD and RM cases, also referred to as certification and decertification cases.

Right to be Represented – Any party to a case with the NLRB has the right to be represented by an attorney or other representative in any proceeding before the NLRB. A party wishing to have a representative appear on its behalf should have the representative complete a Notice of Appearance (Form NLRB-4701), and E-File it at www.nlr.gov or forward it to the NLRB Regional Office handling the petition as soon as possible.

Filing and Service of Petition – A party filing an RC, RD or RM petition is required to serve a copy of its petition on the parties named in the petition along with this form and the Statement of Position form. The petitioner files the petition with the NLRB, together with (1) a certificate showing service of these documents on the other parties named in the petition, and (2) a showing of interest to support the petition. The showing of interest is not served on the other parties.

Notice of Hearing – After a petition in a certification or decertification case is filed with the NLRB, the NLRB reviews the petition, certificate of service, and the required showing of interest for sufficiency, assigns the petition a case number, and promptly sends letters to the parties notifying them of the Board agent who will be handling the case. In most cases, the letters include a Notice of Representation Hearing. Except in cases presenting unusually complex issues, this pre-election hearing is set for a date 14 business days (excluding weekends and federal holidays) from the date of service of the notice of hearing. Once the hearing begins, it will continue day to day until completed absent extraordinary circumstances. The Notice of Representation Hearing also sets the due date for filing and serving the Statement(s) of Position and the Responsive Statement of Position(s). Included with the Notice of Representation Hearing are the following: (1) copy of the petition, (2) this form, (3) Statement of Position for non-petitioning parties, (4) petitioner's Responsive Statement of Position, (5) Notice of Petition for Election, and (6) letter advising how to contact the Board agent who will be handling the case and discussing those documents.

Hearing Postponement: Requests to postpone the hearing are not routinely granted, but the regional director may postpone the hearing for good cause. A party wishing to request a postponement should make the request in writing and set forth in detail the grounds for the request. The request should include the positions of the other parties regarding the postponement. The request must be filed electronically ("E-Filed") on the Agency's website (www.nlr.gov) by following the instructions on the website. A copy of the request must be served simultaneously on all the other parties, and that fact must be noted in the request.

Statement of Position Form and List(s) of Employees – The Statement of Position form solicits commerce and other information that will facilitate entry into election agreements or streamline the pre-election hearing if the parties are unable to enter into an election agreement. In an **RC** or **RD** case, as part of its Statement of Position form, the employer also provides a list of the full names, work locations, shifts, and job classifications of all individuals in the proposed unit. If the employer contends that the proposed unit is not appropriate, the employer must separately list the same information for all individuals that the employer contends must be added to the proposed unit to make it an appropriate unit, and must further indicate those individuals, if any, whom it believes must be excluded from the proposed unit to make it an appropriate unit. These lists must be alphabetized (overall or by department). Unless the employer certifies that it does not possess the capacity to produce the lists in the required form, the lists must be in a table in a Microsoft Word file (.doc or .docx) or a file that is compatible with Microsoft Word, the first column of the table must begin with each employee's last name, and the font size of the list must be the equivalent of Times New Roman 10 or larger. That font does not need to be used but the font must be that size or larger. A sample, optional

form for the list is provided on the NLRB website at www.nlr.gov/sites/default/files/attachments/basic-page/node-4559/Optional Forms for Voter List.docx

Ordinarily the Statement of Position must be filed with the Regional Office and served on the other parties such that it is received by them by noon 8 business days from the issuance of the Notice of Hearing. The regional director may postpone the due date for filing and serving the Statement of Position for good cause. The Statement of Position form must be E-Filed but, unlike other E-Filed documents, will not be timely if filed on the due date but after noon in the time zone of the Region where the petition is filed. Consequences for failing to satisfy the Statement of Position requirement are discussed on the following page under the heading "Preclusion." A request to postpone the hearing will not automatically be treated as a request for an extension of the Statement of Position due date. If a party wishes to request both a postponement of the hearing and a postponement of the Statement of Position due date, the request must make that clear and must specify the reasons that postponements of both are sought.

Responsive Statement of Position – Petitioner's Responsive Statement(s) of Position solicits a response to the Statement(s) of Position filed by the other parties and further facilitates entry into election agreements or streamlines the preelection hearing. A petitioner must file a Responsive Statement of Position in response to each party's Statement of Position addressing each issue in each Statement of Position(s), if desired. In the case of an RM petition, the employer-petitioner must also provide commerce information and file and serve a list of the full names, work locations, shifts, and job classifications of all individuals in the proposed unit. Ordinarily, the Responsive Statement of Position must be electronically filed with the Regional Office and served on the other parties such that it is received by noon 3 business days prior to the hearing. The regional director may postpone the due date for filing and serving the Responsive Statement of Position for good cause. The Responsive Statement of Position form must be E-Filed but, unlike other E-Filed documents, will not be timely if filed on the due date but after noon in the time zone of the Region where the petition is filed. Consequences for failing to satisfy the Responsive Statement of Position requirement are discussed on the following page under the heading "Preclusion." A request to postpone the hearing will not automatically be treated as a request for an extension of the Responsive Statement of Position due date. If a party wishes to request both a postponement of the hearing and a Postponement of the Responsive Statement of Position due date, the request must make that clear and must specify the reasons that postponements of both are sought.

Posting and Distribution of Notice of Petition for Election – Within 5 business days after service of the notice of hearing, the employer must post the Notice of Petition for Election in conspicuous places, including all places where notices to employees are customarily posted, and must also distribute it electronically to the employees in the petitioned-for unit if the employer customarily communicates with these employees electronically. The employer must maintain the posting until the petition is dismissed or withdrawn, or the Notice of Petition for Election is replaced by the Notice of Election. The employer's failure properly to post or distribute the Notice of Petition for Election may be grounds for setting aside the election if proper and timely objections are filed.

Election Agreements – Elections can occur either by agreement of the parties or by direction of the regional director or the Board. Three types of agreements are available: (1) a Consent Election Agreement (Form NLRB-651); (2) a Stipulated Election Agreement (Form NLRB-652); and (3) a Full Consent Agreement (Form NLRB-5509). In the Consent Election Agreement and the Stipulated Election Agreement, the parties agree on an appropriate unit and the method, date, time, and place of a secret ballot election that will be conducted by an NLRB agent. In the Consent Agreement, the parties also agree that post-election matters (election objections or determinative challenged ballots) will be resolved with finality by the regional director; whereas in the Stipulated Election Agreement, the parties agree that they may request Board review of the regional director's post-election determinations. A Full Consent Agreement provides that the regional director will make final determinations regarding all pre-election and post-election issues.

Hearing Cancellation Based on Agreement of the Parties – The issuance of the Notice of Representation Hearing does not mean that the matter cannot be resolved by agreement of the parties. On the contrary, the NLRB encourages prompt voluntary adjustments and the Board agent assigned to the case will work with the parties to enter into an election agreement, so the parties can avoid the time and expense of participating in a hearing.

Hearing – A hearing will be held unless the parties enter into an election agreement approved by the regional director or the petition is dismissed or withdrawn.

Purpose of Hearing: The primary purpose of a pre-election hearing is to determine if a question of representation exists. A question of representation exists if a proper petition has been filed concerning a unit

appropriate for the purpose of collective bargaining or, in the case of a decertification petition, concerning a unit in which a labor organization has been certified or is being currently recognized by the employer as the bargaining representative.

Issues at Hearing: Issues that might be litigated at the pre-election hearing include: jurisdiction; labor organization status; bars to elections; unit appropriateness; expanding and contracting unit issues; inclusion of professional employees with nonprofessional employees; seasonal operation; potential mixed guard/non-guard unit; and eligibility formulas. At the hearing, the timely filed Statement of Position and Responsive Statement of Position(s) will be received into evidence. The hearing officer will not receive evidence concerning any issue as to which the parties have not taken adverse positions, except for evidence regarding the Board's jurisdiction over the employer and evidence concerning any issue, such as the appropriateness of the proposed unit, as to which the regional director determines that record evidence is necessary.

Preclusion: At the hearing, a party will be precluded from raising any issue, presenting any evidence relating to any issue, cross-examining any witness concerning any issue, and presenting argument concerning any issue that the party failed to raise in its timely Statement of Position or Responsive Statement of Position(s) or to place in dispute in timely response to another party's Statement of Position or response, except that no party will be precluded from contesting or presenting evidence relevant to the Board's statutory jurisdiction to process the petition. Nor shall any party be precluded, on the grounds that a voter's eligibility or inclusion was not contested at the pre-election hearing, from challenging the eligibility of any voter during the election. If a party contends that the proposed unit is not appropriate in its Statement of Position but fails to specify the classifications, locations, or other employee groupings that must be added to or excluded from the proposed unit to make it an appropriate unit, the party shall also be precluded from raising any issue as to the appropriateness of the unit, presenting any evidence relating to the appropriateness of the unit, cross examining any witness concerning the appropriateness of the unit, and presenting argument concerning the appropriateness of the unit. As set forth in §102.66(d) of the Board's rules, if the employer fails to timely furnish the lists of employees, the employer will be precluded from contesting the appropriateness of the proposed unit at any time and from contesting the eligibility or inclusion of any individuals at the pre-election hearing, including by presenting evidence or argument, or by cross-examination of witnesses.

Conduct of Hearing: If held, the hearing is usually open to the public and will be conducted by a hearing officer of the NLRB. Any party has the right to appear at any hearing in person, by counsel, or by other representative, to call, examine, and cross-examine witnesses, and to introduce into the record evidence of the significant facts that support the party's contentions and are relevant to the existence of a question of representation. The hearing officer also has the power to call, examine, and cross-examine witnesses and to introduce into the record documentary and other evidence. Witnesses will be examined orally under oath. The rules of evidence prevailing in courts of law or equity shall not be controlling. Parties appearing at any hearing who have or whose witnesses have disabilities falling within the provisions of Section 504 of the Rehabilitation Act of 1973, as amended, and 29 C.F.R. 100.503, and who in order to participate in this hearing need appropriate auxiliary aids, as defined in 29 C.F.R. 100.503, should notify the regional director as soon as possible and request the necessary assistance.

Official Record: An official reporter will make the only official transcript of the proceedings and all citations in briefs or arguments must refer to the official record. (Copies of exhibits should be supplied to the hearing officer and other parties at the time the exhibit is offered in evidence.) All statements made at the hearing will be recorded by the official reporter while the hearing is on the record. If a party wishes to make off-the-record remarks, requests to make such remarks should be directed to the hearing officer and not to the official reporter. After the close of the hearing, any request for corrections to the record, either by stipulation or motion, should be forwarded to the regional director.

Motions and Objections: All motions must be in writing unless stated orally on the record at the hearing and must briefly state the relief sought and the grounds for the motion. A copy of any motion must be served immediately on the other parties to the proceeding. Motions made during the hearing are filed with the hearing officer. All other motions are filed with the regional director, except that motions made after the transfer of the record to the Board are filed with the Board. If not E-Filed, an original and two copies of written motions shall be filed. Statements of reasons in support of motions or objections should be as concise as possible. Objections shall not be deemed waived by further participation in the hearing. On appropriate request, objections may be permitted to stand to an entire line of questioning. Automatic exceptions will be allowed to all adverse rulings.

Election Details: Prior to the close of the hearing the hearing officer will: (1) solicit the parties' positions (but will not permit litigation) on the type, date(s), time(s), and location(s) of the election and the eligibility period; (2) solicit the name, address, email address, facsimile number, and phone number of the employer's on-site representative to whom the regional director should transmit the Notice of Election if an election is directed; (3) inform the parties that the regional director will issue a decision as soon as practicable and will immediately transmit the document to the parties and their designated representatives by email, facsimile, or by overnight mail (if neither an email address nor facsimile number was provided); and (4) inform the parties of their obligations if the director directs an election and of the time for complying with those obligations.

Oral Argument and Briefs: Upon request, any party is entitled to a reasonable period at the close of the hearing for oral argument, which will be included in the official transcript of the hearing. At any time before the close of the hearing, any party may file a memorandum addressing relevant issues or points of law. Post-hearing briefs shall be due within 5 business days of the close of the hearing. The hearing officer may allow up to 10 additional business days for such briefs prior to the close of hearing and for good cause. If filed, copies of the memorandum or brief shall be served on all other parties to the proceeding and a statement of such service shall be filed with the memorandum or brief. No reply brief may be filed except upon special leave of the regional director. Briefs including electronic documents, filed with the Regional Director must be formatted as double-spaced in an 8½ by 11 inch format and must be e-filed through the Board's website, www.nlr.gov.

Regional Director Decision - After the hearing, the regional director issues a decision directing an election, dismissing the petition or reopening the hearing. A request for review of the regional director's pre-election decision may be filed with the Board at any time after issuance of the decision until 10 business days after a final disposition of the proceeding by the regional director. Accordingly, a party need not file a request for review before the election in order to preserve its right to contest that decision after the election. Instead, a party can wait to see whether the election results have mooted the basis of an appeal. The Board will grant a request for review only where compelling reasons exist therefor.

Voter List – The employer must provide to the regional director and the parties named in the election agreement or direction of election a list of the full names, work locations, shifts, job classifications, and contact information (including home addresses, available personal email addresses, and available home and personal cellular ("cell") telephone numbers) of all eligible voters. (In construction industry elections, unless the parties stipulate to the contrary, also eligible to vote are all employees in the unit who either (1) were employed a total of 30 working days or more within the 12 months preceding the election eligibility date or (2) had some employment in the 12 months preceding the election eligibility date and were employed 45 working days or more within the 24 months immediately preceding the election eligibility date. However, employees meeting either of those criteria who were terminated for cause or who quit voluntarily prior to the completion of the last job for which they were employed, are not eligible.) The employer must also include in a separate section of the voter list the same information for those individuals whom the parties have agreed should be permitted to vote subject to challenge or those individuals who, according to the direction of election, will be permitted to vote subject to challenge. The list of names must be alphabetized (overall or by department) and be in the same Microsoft Word file (or Microsoft Word compatible file) format as the initial lists provided with the Statement of Position form unless the parties agree to a different format or the employer certifies that it does not possess the capacity to produce the list in the required form. When feasible, the list must be filed electronically with the regional director and served electronically on the other parties named in the agreement or direction. To be timely filed and served, the voter list must be received by the regional director and the parties named in the agreement or direction respectively within 2 business days after the approval of the agreement or issuance of the direction of elections unless a longer time is specified in the agreement or direction. A certificate of service on all parties must be filed with the regional director when the voter list is filed. The employer's failure to file or serve the list within the specified time or in proper format shall be grounds for setting aside the election whenever proper and timely objections are filed. The parties shall not use the list for purposes other than the representation proceeding, Board proceedings arising from it, and related matters.

Waiver of Time to Use Voter List – Under existing NLRB practice, an election is not ordinarily scheduled for a date earlier than 10 calendar days after the date when the employer must file the voter list with the Regional Office. However, the parties entitled to receive the voter list may waive all or part of the 10-day period by executing Form NLRB-4483. A waiver will not be effective unless all parties who are entitled to the list agree to waive the same number of days.

Election – Information about the election, requirements to post and distribute the Notice of Election, and possible proceedings after the election is available from the Regional Office and will be provided to the parties when the Notice of Election is sent to the parties.

Withdrawal or Dismissal – If it is determined that the NLRB does not have jurisdiction or that other criteria for proceeding to an election are not met, the petitioner is offered an opportunity to withdraw the petition. If the petitioner does not withdraw the petition, the regional director will dismiss the petition and advise the petitioner of the reason for the dismissal and of the right to appeal to the Board.

A party shall be precluded from raising any issue, presenting any evidence relating to any issue, cross-examining any witness concerning any issue, and presenting argument concerning any issue that the party failed to raise in its timely Statement of Position or to place in dispute in response to another party's Statement of Position or response, except that no party shall be precluded from contesting or presenting evidence relevant to the Board's statutory jurisdiction to process the petition. Nor shall any party be precluded, on the grounds that a voter's eligibility or inclusion was not contested at the pre-election hearing, from challenging the eligibility of any voter during the election. If a party contends that the proposed unit is not appropriate in its Statement of Position but fails to specify the classifications, locations, or other employee groupings that must be added to or excluded from the proposed unit to make it an appropriate unit, the party shall also be precluded from raising any issue as to the appropriateness of the unit, presenting any evidence relating to the appropriateness of the unit, cross-examining any witness concerning the appropriateness of the unit, and presenting argument concerning the appropriateness of the unit. REVIEW THE FOLLOWING IMPORTANT INFORMATION BEFORE FILLING OUT A RESPONSIVE STATEMENT OF POSITION FORM

Completing and Filing this Form: For **RC and RD petitions**, the Petitioner is required to complete this form in response to each timely filed and served Statement of Position filed by another party. For **RM petitions**, the Employer-Petitioner must complete a Responsive Statement of Position form and submit the list described below. In accordance with Section 102.63(b) of the Board's Rules, if you are required to complete the form, you must have it signed by an authorized representative, and file a completed copy with any necessary attachments, with this office and serve it on all parties named in the petition responding to the issues raised in another party's Statement of Position, such that it is received no later than noon three business days before the date of the hearing. A separate form must be completed for each timely filed and properly served Statement of Position you receive. If more space is needed for your answers, additional pages may be attached. If you have questions about this form or would like assistance in filling out this form, please contact the Board agent assigned to handle this case. **You must E-File your Responsive Statement of Position at www.NLRB.gov, but unlike other e-Filed documents, it will *not* be timely if filed on the due date but after noon in the time zone of the Region where the petition was filed. Note that if you are completing this form as a PDF downloaded from www.NLRB.gov, the form will lock upon signature and no further editing may be made.**

Required List: In addition to responding to the issues raised in another party's Statement of Position, if any, the Employer-Petitioner in an RM case is required to file and serve on the parties a list of the full names, work locations, shifts, and job classifications of all individuals in the proposed unit as of the payroll period preceding the filing of the petition who remain employed at the time of filing. This list must be alphabetized (overall or by department). Unless the employer certifies that it does not possess the capacity to produce the list in the required form, the list must be in a table in a Microsoft Word file (.doc or .docx) or a file that is compatible with Microsoft Word, the first column of the table must begin with each employee's last name, and the font size of the list must be the equivalent of Times New Roman 10 or larger. Consequences of Failure to Submit a Responsive Statement of Position: Failure to supply the information requested by this form may preclude you from litigating issues under 102.66(d) of the Board's Rules and Regulations. Section 102.66(d) provides as follows:

A party shall be precluded from raising any issue, presenting any evidence relating to any issue, cross-examining any witness concerning any issue, and presenting argument concerning any issue that the party failed to raise in its timely Statement of Position or to place in dispute in response to another party's Statement of Position or response, except that no party shall be precluded from contesting or presenting evidence relevant to the Board's statutory jurisdiction to process the petition. Nor shall any party be precluded, on the grounds that a voter's eligibility or inclusion was not contested at the pre-election hearing, from challenging the eligibility of any voter during the election. If a party contends that the proposed unit is not appropriate in its Statement of Position but fails to specify the classifications, locations, or other employee groupings that must be added to or excluded from the proposed unit to make it an appropriate unit, the party shall also be precluded from raising any issue as to the appropriateness of the unit, presenting any evidence relating to the appropriateness of the unit, cross-examining any witness concerning the appropriateness of the unit, and presenting argument concerning the appropriateness of the unit. If the employer fails to timely furnish the lists of employees described in §§102.63(b)(1)(iii), (b)(2)(iii), or (b)(3)(iii), the employer shall be precluded from contesting the appropriateness of the proposed unit at any time and from contesting the eligibility or inclusion of any individuals at the pre-election hearing, including by presenting evidence or argument, or by cross-examination of witnesses.

STARBUCKS CORPORATION Employer and WORKERS UNITED Petitioner	Case Nos. 05-RC-289221 and 05-RC-289213
--	--

EMPLOYER’S REQUEST TO POSTPONE HEARING

Pursuant to National Labor Relations Board (“NLRB” or “Board”) Rule 102.63(a)(1), Employer Starbucks Corporation (“Employer” or “Starbucks”) respectfully submits this Request to Postpone the Representation Hearings in Cases 05-RC-289221 and 05-RC-289213.¹

These matters arise out of representation petitions filed by Workers United (“Union” or “Petitioner”) on January 20, 2022. The representation hearing date for both cases is currently set for February 10, 2022. Pursuant to Board Rule 102.63(a)(1), the Regional Director may postpone a hearing upon the request of a party for good cause shown. For the reasons set forth below, the Employer respectfully requests a continuance of the combined hearing to February 22, 2022.

The Employer expects the combined pre-election hearing to last two to three days. Two of the Employer’s primary witnesses, the Regional Director and Regional Manager responsible for the petition-for coffeehouses are both unavailable for hearing on February 10 as they have pre-planned vacations. The Regional Manager is traveling to Hawaii, and the Starbucks Regional Director is visiting a new-born grandchild in Florida. The Starbucks Regional Director is

¹ The Employer is contemporaneously filing a Motion to Consolidate Cases 05-RC-289221 and 05-RC-289213.

unavailable from February 3, 2022 through February 15, 2022, and the District Manager is unavailable from February 5, 2022 through February 15, 2022.

Moreover, the Employer is not available for hearing on February 16 and 17 as its counsel Jennifer Jones has a previously scheduled oral argument before the Seventh Circuit Court of Appeals on February 16, 2022, and lead counsel Michael Moschel has a previously scheduled arbitration hearing on February 17, 2022. Accordingly, the Employer's counsel and its primary witnesses will be unavailable for hearing on February 10, 2022 through February 17, 2022. February 18, 2022 is a Friday, which would provide the parties only one day before the hearings must be adjourned for the weekend, and February 21, 2022 – the following Monday – is a federal holiday. Accordingly, the first reasonable date to begin the representation hearing is February 22, 2022².

This request is not made for the purpose of delay, but to ensure that the Employer is able to adequately prepare and present its case at the hearing. This is evidenced by the fact that the Employer's law firm has not made a request to postpone the February 10, 2022 the representation hearing concerning simultaneously filed Baltimore RC petition (Case No. 05-RC_289214).

Counsel for the Union has advised that the Union will not consent to this request.

For the reasons stated above, Starbucks respectfully requests that the representation hearing be postponed to February 22, 2022.

Respectfully submitted,

/s/ Michael Moschel

STARBUCKS CORPORATION Employer and WORKERS UNITED Petitioner	Case Nos. 05-RC-289221 and 05-RC-289213
--	--

EMPLOYER’S REQUEST FOR CONSOLIDATION

Pursuant to National Labor Relations Board (“NLRB” or “Board”) Rule 102.72(a)(2) and Rule 102.72(c), Employer Starbucks Corporation (“Employer” or “Starbucks”) respectfully requests that Cases Nos. 05-RC-289221 and 05-RC-289213 be consolidated for hearing.

These matters arise out of the representation petitions filed by Workers United (“Union” or “Petitioner”) on January 20, 2022. Rule 102.72(a)(2) provides in relevant part that “[w]henver it appears necessary in order to effectuate the purposes of the Act, or to avoid unnecessary costs or delay,” such petitions may be consolidated with any other proceeding which may have been instituted in the same region. Further, Rule 102.72(c) provides that the Regional Director may exercise power to consolidate proceedings pending within his or her Region under Rule 102.72(a)(2).

The two petitions filed on January 20, 2022 seek representation of two Starbucks coffeehouses located in Richmond, Virginia, are both petitions were filed simultaneously by the Union and are currently pending before Region 5. The two Richmond locations are fall within Starbucks administrative district 703, which consist of 13 coffeehouses located within a small geographic footprint in Richmond, VA. At the upcoming representation hearing, Starbucks

intends to call the same key witnesses for both hearings which include the Richmond Starbucks Regional Director and the District Manager over district 703. Additionally, the same information, facts, theories, and analyses will be utilized for purposes of the representation hearings as well. Furthermore, the Employer has asserted its Statement of Position that the appropriate bargaining unit is a district wide one. Accordingly, in the spirit of judicial economy and pursuant to Board Rule 102.72, these two cases should be consolidated hearing.

Counsel for the Union has advised that the Union takes no position with respect to the request.

For these reasons, Starbucks Corporation respectfully requests that Case No. 5-RC-289221 and Case No. 5-RC-289213 be consolidated.

Respectfully submitted,

**PETITIONER'S RESPONSE TO
EMPLOYER'S REQUEST TO POSTPONE HEARING**

Petitioner, the Mid Atlantic Regional Joint Board, Workers United, respectfully opposes the Employer, Starbucks Corp.'s, request to postpone the hearing in the above-captioned matters. The Employer's request fails to demonstrate good cause, as that phrase is contemplated by Board Rule 102.63(a)(1). The Employer will have had more than twenty (20) days to prepare for the February 10, 2022 hearing in this matter, and to make arrangements to have alternate witnesses lined up to testify to the matters raised in the Employer's Statement of Position in opposition to the Petition. Moreover, the availability of Employer's counsel similarly does not support an argument of good cause because the Employer has a number of attorneys from the same firm working on the various Petitions filed across the nation who could easily fill in. Finally, even if an extension were to be granted, twelve (12) days is an unreasonably long period of time, as a typical extension would normally be five (5) business days resulting in a hearing date of February 17, 2022.

In light of the foregoing, the Petitioner respectfully urges the Regional Director deny the Employer's request for a postponement of the hearing in these matters.

Respectfully submitted,

STARBUCKS CORPORATION,	:

At the Union's request in 28-RC-289033, Region 28's Director Overstreet issued such an order against Starbucks (*Arizona II*) dated February 4, 2022. Director Overstreet thereafter found that Starbucks's offers were sufficient to justify a hearing. At that hearing, Starbucks still

failed demonstrate sufficient employee interchange or insufficient local store autonomy that it needed to overcome the single store unit presumption. Similar Orders to Show Cause have been issued in Region 13 (13-RC-288995), Region 27 (27-RC-289608) and Region 10 (10-RC-289571).

It is becoming apparent that Starbucks may not be raising this issue out of any legitimate question about the appropriateness of a single-store unit, or any genuine hope to overcome the single-store presumption. Rather, Starbucks has sought to litigate this issue in order to delay the processing of elections. The Regional Director has the power to prevent this tactic and streamline the election process to uphold Starbucks employees' right to freely select a bargaining representative. Pursuant to Board's Rules and Regulations, § 102.66(c), the Regional Director is urged to order Starbucks to make an offer of proof if it wishes to challenge the single-store units at issue. If that offer of proof does not demonstrate that the Company has new evidence to overcome the single-store presumption, then Starbucks should be precluded from offering evidence on that issue.

Moreover, the questions that Starbucks must answer in its offer of proof – especially the questions regarding the crucial areas of interchange and local store autonomy – must require sufficient specificity so as to assure the Regional Director that the proffered evidence has not been introduced in earlier proceedings and that, if admitted, would be sufficient to overcome the single store presumption. See CHM § 11226 (September 2020), which reads, “The facts should be set forth in detail; an offer in summary form or consisting of conclusions is insufficient.”

I. The Regional Director has the Authority to Evaluate Proffered Evidence to Determine the Issues to be Litigated at a Pre-Election Hearing.

Board rules state that the RD must determine the issues to be litigated at the hearing, and may require an offer of proof from either side to determine whether an issue should be litigated.

Board's Rules and Regulations, § 102.66(c) reads in relevant part:

The Regional Director shall direct the Hearing Officer concerning the issues to be litigated at the hearing. The Hearing Officer may solicit offers of proof from the parties or their counsel as to any or all such issues. Offers of proof shall take the form of a written statement or an oral statement on the record identifying each witness the party would call to testify concerning the issue and summarizing each witness's testimony. If the Regional Director determines that the evidence described in an offer of proof is insufficient to sustain the proponent's position, the evidence shall not be received.

The rules and Board procedures provide sole discretion to the Regional Director to determine whether the evidence offered is enough to “sustain the proponent’s position” in a hearing. If not, the ARD must exclude the evidence—“the evidence shall not be received.” *See also* Casehandling Manual, Part Two, Representation Proceedings, § 11226 (September 2020), providing for the use of offers of proof “to focus and define issues and provide a foundation to accept or exclude evidence.”

Both *Jersey Shore Nursing and Rehabilitation Center*, 325 NLRB 603 (1998) and *NLRB v. Tito Contractors*, 847 F.3d 724 (D.C. Cir. 2017) approved the use of offers of proof where employers claimed the impropriety of presumptively appropriate units. In *Jersey Shore*, after contesting the propriety of a healthcare service and maintenance unit, “the Employer, was provided with the opportunity to make an offer of proof in support of its unit contentions....” The hearing officer, with eventual Board approval, deemed the proffer inadequate “and precluded the Employer from presenting testimony on the unit issue[.]” And in *Tito Contractors*, the court approved of the Board’s use of an offer of proof where the employer challenged a

presumptively appropriate employer-wide unit. Although the court ultimately rejected the Board's holding that the employer-wide unit was appropriate, 847 F.3d at 732-734, it found that *Jersey Shore* "is direct precedent supporting the use of an offer of proof in lieu of oral testimony if the petitioned-for unit is presumptively appropriate." 847 F.3d at 730.

II. The Regional Director is Urged to Exercise This Authority Because Region 3, Region 28, and the Board Have All Evaluated Starbucks' Proffered Evidence and Determined it is Insufficient to Rebut the Single-Store Presumption.

The burden is on the Company to establish that a single-store unit is not appropriate and the burden is a "heavy one." *California Pacific Medical Center*, 357 NLRB 197, 200 (2011); *see also Dixie Belle Mills, Inc.*, 139 NLRB 629, 631 (1962); *Frisch's Big Boy Ill-Mar, Inc.*, 147 NLRB 551 (1964); *Haag Drug Co.*, 169 NLRB 877 (1968); *Walgreen Co.*, 198 NLRB 1138 (1972); *Lipman's, A Div. of Dayton-Hudson Corp.*, 227 NLRB 1436 (1977); *Bud's Thrift-T-Wise*, 236 NLRB 1203 (1978); *Renzetti's Mkt., Inc.*, 238 NLRB 174 (1978); *Eschenbach-Boysa Co.*, 268 NLRB 550 (1984); *Red Lobster*, 300 NLRB 908 (1990); *Hilander Foods*, 348 NLRB 1200 (2006). Starbucks should not be permitted to continually litigate this issue unless it can make an offer of proof to show that it has evidence to overcome this burden.

Two separate regions and the Board have all evaluated the evidence and determined that Starbucks cannot overcome the single-store presumption. Approximately a dozen more completed hearings are expected to yield the same results. After weeks of testimony, thousands of pages of exhibits, and countless Board resources, Starbucks has failed to rebut the single-store presumption.

Here, Region 3's ARD has already resolved the same question *twice*, with Board approval in one instance, with near identical evidence presented in response to all six petitions. Decision and Direction of Elections, Cases 03-RC-282115, 03-RC-282127, 03-RC-282139

(October 28, 2021) (“*Buffalo I*”), review denied, 2021 WL 5848184 (Dec. 7, 2021) (“*Board, Buffalo I*”); Decision and Direction of Elections, Cases 03-RC-285929, 03-RC-285986, and 03-RC-285989 (January 14, 2022) (“*Buffalo II*”), request for review pending. Region 28’s Director also resolved the question with near identical analysis. Decision and Direction of Election, Case 28-RC-286556 (January 7, 2022) (“*Arizona I*”), request for review pending. Because the Company has presented very similar evidence to support its position, both of the Region 3 decisions as well as the Region 28 decision read very similarly and have plucked similar facts from the record to uphold the single-store presumption. To cement the conclusion that Starbucks stores may organize individually, the Board published a lengthy footnote in its denial of Starbucks’ Request for Review in which it upheld the reasoning relied upon in all 3 decisions. *Board, Buffalo I*, *1.

Starbucks should not be permitted to present the same evidence again and again and again. In *Bennett Industries, Inc.*, 313 NLRB 1363 (1994), the Board clearly articulated that it must balance the due process rights of the parties to present evidence and advance arguments with its “affirmative duty to protect the integrity of the Board’s processes against unwarranted burdening of the record and unnecessary delay.” Here, Starbucks has had numerous chances in separate regions, to litigate the appropriate unit issue, with further review from the Board. Not a single decisionmaker has found for the Company, and each decision has directly rejected Starbucks’ attempts to sidestep the primary issues with its elaborate evidence. The various regional directors have more than adequately respected Starbucks’ due process rights by allowing it to litigate the appropriate unit issue numerous times. Requiring an offer of proof in order to litigate the appropriate unit issue in future RC cases further respects the Company’s rights to present evidence and advance arguments while at the same time upholding the Regional

Director's affirmative duty to protect the integrity of the Board's processes against unwarranted burdening of the record and unnecessary delay.

III. The Offer of Proof Must Seek to Elicit Specific Responses That Would Clearly Reveal Whether Starbucks has Sufficient Evidence to Overcome the Single Store Presumption.

The *Arizona II* Notice to Show Cause issued by Director Overstreet did not have the effect of precluding Starbucks from presenting repetitive and/or non-determinative evidence.

The Petitioner suggests that the following questions should be solicited:

1. For the past year, what is the percentage of total hours worked at the petitioned-for store that were worked by borrowed employees whose assigned home stores are included within the unit sought by Starbucks?
2. For the past year, what is the percentage of total shifts worked at the petitioned-for store that were worked by borrowed employees whose assigned home stores are included within the unit sought by Starbucks?
3. For the past year, what is the percentage of total hours worked in the unit sought by Starbucks that was worked by borrowed employees whose home store is the petitioned-for store?
4. For the past year, what is the percentage of total shifts worked in the unit sought by Starbucks that was worked by borrowed employees whose home store is the petitioned-for store?
5. For the past year, what is the percentage of total hours worked by partners assigned to the petitioned-for store as their home store that was worked by them in the capacity of borrowed employees in other stores in the unit sought by Starbucks?
6. For the past year, what is the percentage of total shifts worked by partners assigned the petitioned-for store as their home store that was worked by them in the capacity of as borrowed employees in other stores in the unit sought by Starbucks?
7. To what extent, if any, do the procedures to arrange, request, and accept shift swaps between stores differ from the procedures described in *Buffalo I*, p.20; *Buffalo II*, p.26; and *Arizona I*, p.16. Please describe any differences. Please attach all evidence of discipline imposed upon unit employees since January 1, 2020 for not volunteering or for declining additional shifts.

8. To what extent, if any, does the local autonomy in daily operations and labor relations differ from that described in *Buffalo I*, p.17-18; *Buffalo II*, p.22-24; and *Arizona I*, p.13-14. Please describe any differences

IV. Conclusion

The Act, §9(c)(1), requires a pre-election hearing in disputed RC cases. 29 U.S.C. § 159(c)(1). However, the Act does not require the Board to have a pre-election hearing over any issue the parties deem necessary. A Regional Director is empowered with vast discretion to analyze proffered evidence and determine the issues in dispute at the hearing. The Regional Director is urged to exercise this power in order to uphold the integrity of its administrative processes and the employees' Section 7 rights in future cases.

Starbucks should be required to make an offer of proof in support of its assertion that the only appropriate unit is multi-location. If it is unable to show that it could meet its burden, it should be barred from litigating the issue.

This 16th day of February, 2022.

Ineligible to vote are (1) employees who have quit or been discharged for cause after the designated payroll period for eligibility, and, in a mail ballot election, before they mail in their ballots to the Board's designated office, (2) employees engaged in a strike who have been discharged for cause since the commencement thereof and who have not been rehired or reinstated before the election date, and (3) employees engaged in an economic strike which began more than 12 months before the election date who have been permanently replaced.

Others permitted to vote: The parties have agreed that assistant store managers may vote in the election, but their ballots will be challenged since their eligibility has not been resolved. No decision has been made regarding whether the individuals in this classification or group are included in, or excluded from, the bargaining unit. The eligibility or inclusion of these individuals will be resolved, if necessary, following the election.

6. VOTER LIST. Within 4 business days after the Regional Director has approved this Agreement, the Employer must provide to the Regional Director and all of the other parties a voter list of the full names, work locations, shifts, job classifications, and contact information (including home addresses, available personal email addresses, and available personal home and cellular telephone numbers) of all eligible voters. The Employer must also include, in a separate section of that list, the same information for those individuals whom the parties have agreed should be permitted to vote subject to challenge. The list must be filed in common, everyday electronic file formats that can be searched. Unless otherwise agreed to by the parties, the list must be provided in a table in a Microsoft Word file (.doc or docx) or a file that is compatible with Microsoft Word (.doc or docx). The first column of the list must begin with each employee's last name and the list must be alphabetized (overall or by department) by last name. The font size of the list must be the equivalent of Times New Roman 10 or larger. That font does not need to be used but the font must be that size or larger. When feasible, the list must be filed electronically with the Regional Director and served electronically on the parties. The Employer must file with the Regional Director a certificate of service of the list on all parties.

7. THE BALLOT. The Regional Director, in his or her discretion, will decide the language(s) to be used on the election ballot. All parties should notify the Region as soon as possible of the need to have the Notice of Election and/or ballots translated.

The Employer must also distribute the Notice of Election electronically, if the Employer customarily communicates with employees in the unit electronically. Failure to post or distribute the Notice of Election as required shall be grounds for setting aside the election whenever proper and timely objections are filed.

9. NOTICE OF ELECTION ONSITE REPRESENTATIVE. The following individual will serve as the Employer's designated Notice of Election onsite representative:

Salina Fisher-Guy, District Manager
sfisher@starbucks.com
Phone: 804-456-8011

10. ACCOMMODATIONS REQUIRED. All parties should notify the Region as soon as possible of any voters, potential voters, or other participants in this election who have handicaps falling within the provisions of Section 504 of the Rehabilitation Act of 1973, as amended, and 29 C.F.R. 100.503, and who in order to participate in the election need appropriate auxiliary aids, as defined in 29 C.F.R. 100.503, and request the necessary assistance.

11. OBSERVERS. Each party may designate an equal number of authorized observers to participate in the count, including challenging the eligibility of voters.

12. TALLY OF BALLOTS. Upon conclusion of the election, the ballots will be counted and a tally of ballots prepared and immediately made available to the parties.

UNITED STATES OF AMERICA
NATIONAL LABOR RELATIONS BOARD
STIPULATED ELECTION AGREEMENT

Starbucks Corporation

Case 05-RC-289221

The parties **AGREE AS FOLLOWS:**

1. PROCEDURAL MATTERS. The parties waive their right to a hearing and agree that any notice of hearing previously issued in this matter is withdrawn, that the petition is amended to conform to this Agreement, and that the record of this case shall include this Agreement and be governed by the Board's Rules and Regulations.

2. COMMERCE. The Employer is engaged in commerce within the meaning of Section 2(6) and (7) of the National Labor Relations Act and a question affecting commerce has arisen concerning the representation of employees within the meaning of Section 9(c).

The Employer, Starbucks Corporation, a corporation with an office and principal place of business in Seattle, Washington, is engaged in the retail operation of restaurants, including at its store currently located at 11136 Midlothian Turnpike, North Chesterfield, Virginia. During the 12-month period ending February 28, 2022, the Employer, in conducting its operations described herein, derived gross revenues in excess of \$500,000, and during that same period, the Employer purchased and received, at its Richmond, Virginia facility, goods valued in excess of \$5,000 directly from points located outside the Commonwealth of Virginia.

3. LABOR ORGANIZATION. The Petitioner is an organization in which employees participate, and which exists for the purpose, in whole or in part, of dealing with employers concerning grievances, labor disputes, wages, rates of pay, hours of employment, or conditions of work and is a labor organization within the meaning of Section 2(5) of the Act.

4. ELECTION. The election will be conducted by United States mail. The mail ballots will be mailed to employees employed in the appropriate collective-bargaining unit from the office of the National Labor Relations Board, Region 05, Bank of America Center, Tower II, 100 S. Charles Street, Ste. 600, Baltimore, MD 21201, on March 29, 2022, at 3:00 p.m. Voters must sign the outside of the envelope in which the ballot is returned. Any ballot received in an envelope that is not signed will be automatically void.

Those employees who believe that they are eligible to vote and did not receive a ballot in the mail by April 5, 2022, should communicate immediately with the National Labor Relations Board by calling the Baltimore Regional Office at (410) 962-2822.

All ballots will be commingled and counted at the Baltimore Regional Office on April 19, 2022, at 3:00 p.m. In order to be valid and counted, the returned ballots must be received in the Baltimore Regional Office prior to the counting of the ballots. Due to restrictions related to the COVID-19 pandemic, and at the Regional Director's discretion, the parties may not be permitted to attend the ballot count in person. In that event, the counting of ballots will take place via videoconference.

If the election and/or count is postponed or canceled, the Regional Director, in his discretion, may reschedule the date, time, and place of the election and/or count.

5. UNIT AND ELIGIBLE VOTERS. The following unit is appropriate for the purposes of collective bargaining within the meaning of Section 9(b) of the Act:

Initials: JJ/MA

All full-time and regular part-time baristas and shift supervisors employed by the Employer at its facility currently located at 11136 Midlothian Turnpike, North Chesterfield, Virginia, but excluding all office clerical employees, guards, professional employees, and supervisors as defined in the Act.

Those eligible to vote in the election are employees in the above unit who were employed during the **payroll period ending February 20, 2022**, including employees who did not work during that period because they were ill, on vacation, or were temporarily laid off. In a mail ballot election, employees are eligible to vote if they are in the above unit on both the payroll period ending date and on the date they mail in their ballots to the Board's designated office.

Employees engaged in any economic strike, who have retained their status as strikers and who have not been permanently replaced are also eligible to vote. In addition, employees engaged in an economic strike which commenced less than 12 months before the election date, who have retained their status as strikers but who have been permanently replaced, as well as their replacements are eligible to vote. Employees who are otherwise eligible but who are in the military services of the United States may vote if they appear in person at the polls or by mail as described above in paragraph 4.

Ineligible to vote are (1) employees who have quit or been discharged for cause after the designated payroll period for eligibility, and, in a mail ballot election, before they mail in their ballots to the Board's designated office, (2) employees engaged in a strike who have been discharged for cause since the commencement thereof and who have not been rehired or reinstated before the election date, and (3) employees engaged in an economic strike which began more than 12 months before the election date who have been permanently replaced.

Others permitted to vote: The parties have agreed that assistant store managers may vote in the election, but their ballots will be challenged since their eligibility has not been resolved. No decision has been made regarding whether the individuals in this classification or group are included in, or excluded from, the bargaining unit. The eligibility or inclusion of these individuals will be resolved, if necessary, following the election.

6. VOTER LIST. Within 4 business days after the Regional Director has approved this Agreement, the Employer must provide to the Regional Director and all of the other parties a voter list of the full names, work locations, shifts, job classifications, and contact information (including home addresses, available personal email addresses, and available personal home and cellular telephone numbers) of all eligible voters. The Employer must also include, in a separate section of that list, the same information for those individuals whom the parties have agreed should be permitted to vote subject to challenge. The list must be filed in common, everyday electronic file formats that can be searched. Unless otherwise agreed to by the parties, the list must be provided in a table in a Microsoft Word file (.doc or docx) or a file that is compatible with Microsoft Word (.doc or docx). The first column of the list must begin with each employee's last name and the list must be alphabetized (overall or by department) by last name. The font size of the list must be the equivalent of Times New Roman 10 or larger. That font does not need to be used but the font must be that size or larger. When feasible, the list must be filed electronically with the Regional Director and served electronically on the parties. The Employer must file with the Regional Director a certificate of service of the list on all parties.

7. THE BALLOT. The Regional Director, in his or her discretion, will decide the language(s) to be used on the election ballot. All parties should notify the Region as soon as possible of the need to have the Notice of Election and/or ballots translated.

Initials: JJ/MA

The question on the ballot will be "Do you wish to be represented for purposes of collective bargaining by Mid-Atlantic Regional Joint Board, Workers United a/w Service Employees International Union?" The choices on the ballot will be "Yes" or "No".

8. NOTICE OF ELECTION. The Regional Director, in his or her discretion, will decide the language(s) to be used on the Notice of Election. The Employer must post copies of the Notice of Election in conspicuous places, including all places where notices to employees in the unit are customarily posted, at least three (3) full working days prior to 12:01 a.m. of the day the ballots are mailed to employees. The Employer must also distribute the Notice of Election electronically, if the Employer customarily communicates with employees in the unit electronically. Failure to post or distribute the Notice of Election as required shall be grounds for setting aside the election whenever proper and timely objections are filed.

9. NOTICE OF ELECTION ONSITE REPRESENTATIVE. The following individual will serve as the Employer's designated Notice of Election onsite representative:

Salina Fisher-Guy, District Manager
sfisher@starbucks.com
Phone: 804-456-8011

10. ACCOMMODATIONS REQUIRED. All parties should notify the Region as soon as possible of any voters, potential voters, or other participants in this election who have handicaps falling within the provisions of Section 504 of the Rehabilitation Act of 1973, as amended, and 29 C.F.R. 100.503, and who in order to participate in the election need appropriate auxiliary aids, as defined in 29 C.F.R. 100.503, and request the necessary assistance.

11. OBSERVERS. Each party may designate an equal number of authorized observers to participate in the count, including challenging the eligibility of voters.

12. TALLY OF BALLOTS. Upon conclusion of the election, the ballots will be counted and a tally of ballots prepared and immediately made available to the parties.

13. POSTELECTION AND RUNOFF PROCEDURES. All procedures after the ballots are counted shall conform with the Board's Rules and Regulations.

14. NON-PRECEDENT SETTING. The details set forth in this stipulated election agreement do not create precedent and are only applicable to this case and therefore neither the Employer nor the Petitioner (or any of its affiliates) will attempt to reference or use this stipulated election agreement in any proceeding other than in Case 05-RC-289221, and no party waives any rights to litigate issues in any other proceeding.
